Jonathan B. Majiyagbe

July 30/31, 2003

Networking/EAA Brat Fry

EAA Brat Fry – July 31

Darrell Collins will be our speaker. Darrell is a native of North Carolina's Outer Banks and resides in Manteo, on Roanoke Island. He Graduated from Manteo High School in 1973. He is a graduate of Elizabeth City State University in North Carolina and holds a B.S. degree in Geology. He has worked with the National Park Service in the division of interpretation and education for 24 years, spending the majority of his time at the Wright Brothers National Memorial, where he serves as the Historian. He served with NASA in a series of educational programs promoting aviation and the Wright Brothers to young children. In 1990 he was nominated as the National Park Service top Interpretive Ranger for the Freeman Tilden Award. In 1991 he was nominated by the Department of Interior to represent the National Park Service for the "Park Ranger Tour Program," an outreach program for children in e major U.S. cities.

For the past fourteen years he has been on the aviation/aerospace lecture circuit. Previous speaking engagements include the Aero Club of Washington's Wright Memorial Dinner, National Air Transportation 50th Anniversary, Aerospace Industries of America,

Aircraft Owners and Pilot Association. He is a regular speaker at the Speakers' Showcase series at the Oshkosh Fly-in Convention and many other aviation/aerospace oriented groups.

Rotary Fellowships

To Explore International Friendship join a Rotary Recreational Fellowship. Recreational fellowships encourage camaraderie and shared experience among Rotarians. With Friendship at the core, recreational fellowships unite members internationally through a common activity.

Members enjoy trips, competitions, tours, or educational activities. At the same time, recreational fellowships offer service opportunities, many of which are directly related to their fellowship. For example, the International Fellowship of Flying Rotarians sponsors "fly-ins" to beautiful locales and also transport medical supplies to areas in need. The Mountain Climbing and Hiking Fellowship tackles the challenges of Mt. Kilimanjaro and the Himalayas as well as undertaking more modest expeditions with blind children. In addition to enjoying ski trips in exotic international destinations members of the

International Skiing Fellowship also arrange group outings for disabled skiers.

Each Fellowship is independently run and open to all Rotarians. Many fellowships require minimal dues to defray expenses.

For information on the Flying Rotarians be sure to ask one of the members at the picnic.

Look for the complete list of Recreational Fellowships in next weeks HUB.

Members Fun Night - August 5

Wayne Traska - Chairman

Next week Tuesday is our member's fun night. If you have not signed up make sure you call Wayne. Thank you, Paul Fowler for allowing us to use the lake property this year for this event.

Museum - August 6 Networking at Robbins

Please join us for a special Rotary Luncheon at the Oshkosh Public Museum. You will get a sneak preview of an exhibit highlighting the history of Wisconsin Public Service. The display will not open to the Public until August 10.

Displays ranging from the earliest advertising to the initial articles of incorporation and stock certificates will be there. Tools and testing devices, protective gear, construction techniques, metering equipment and much more will be on display.

Did you know that Public Service was founded here in Oshkosh? Its corporate underpinnings began in the Sawyer House, which is now the Museum.

You'll learn how a simple "NO" to a request for gas service to the Sawyer House started a business which is now over 130 years old.

Arnie Rentmeister, a retiree and expert on the company's history, will provide a presentation on the materials.

Back to School Fair - August 12

Bonnie Behnke and Marcus Butts – Chairpersons

Boat Outing – August 21

Gerald Hendrickson – Chairman

Golf Outing - September 5

Super Bowl – February 1 Fundraiser

Proposed Member

Richard (Dick) Rueckl has been proposed by Bonnie Behnke. He is the Director of Support Services at Affinity. This is the second publishing for Dick. If you have a person that you would like to propose as a member contact Jack Klein for the proper paper work.

Thank you

Bill Wresch thank you for chairing the Waterfest function on July 24th. To everyone that assisted during the evening thank you, for your support. We will have a report of the proceeds at a future meeting.

The Four Way Test

By Herbert I. Taylor – Chicago – 1932
Of the things we think, say or do:

First: Is it the truth?

Second: Is it fair to all concerned?

Third: Will it build goodwill and better friendships?

Fourth: Will it be beneficial to all concerned?

Information for the HUB

Directors and chairman of committees we would like to have more information in the HUB about what is happening in your areas.

Send to Rick Vanderloop 424.7820, fax 424.7825 or Karen Stauffer 426.6370, fax 426.6369, karenstauffer@yahoo.com
