Today's Program

Winnebago Interfaith needs response

New Generations Month

The objectives of Service to youth that have been approved by Rotary International as suggestions for clubs are:

1. The acquisition of a practical knowledge and understanding of urban and rural conditions and factors affecting youth in the process of development to maturity
2. The recognition of the importance to youth of physical health, well-rounded education, cultivation of spiritual qualities, and a wise choice of vocation through vocational preparation.
3. The encouragement of activities pertaining to youth, on the part of Rotary clubs and individual Rotarians, for which they are best, qualified.
4. The stimulation of good citizenship in youth through recognition of the responsibilities owed by the individual to the community.
5. The development in the minds of youth of a better understanding of world affairs and the promotion of right attitudes toward the peoples of other countries as well as their own.

Clubs and Rotarians are reminded of the increasing importance of personal participation in existing programs for youth programs which seek to alleviate needs and solve problems in areas such as career choice, job training, drug abuse, prevention of crime, recreation and citizenship training.

To work under the guidelines of Rotary International, Oshkosh Southwest Rotary started Jr. Rotary in Perry Tipler Middle School in 1996. The Jr. Rotary Club is designed after Rotary International. They elect officers and directors, and was the pilot school for the area and designed the youth club.

The next year the club expanded the idea into South Park Middle School and St John Newman Middle School.

Jr. Rotary leaders are Karen Fredrick at Tipler Middle School and Heidi Husnick, Marcus Butts at Carl Traeger.

The Jr. Rotary Clubs need your help. On Sept 20th Jr. Rotary and Interact are sponsoring/providing a cookout at Community Night at the Titan Football game. We could use some Rotarians to help in cooking and serving. The times will be from 3:00 to approx 5:30. If

you will be able to assist please sign up or talk to Bonnie Behnke. It seems as if this is also the Homecoming at West so they will be short helpers.

Memorial Flag

To the Presidents of the Rotary Clubs in Oshkosh:

How to thank you and your members for their generosity. The \$3000.00 puts us very close to the goal of \$5000.00!! Let me thank you all for this contribution to the Lynne Webster Memorial Flagpole Fund!! Lynne was such a special person, and putting in this flagpole was her top priority at the time of her death. I'm sure she is saying "Way to Go!!"

I am working with Jackson Kinney to get the groundbreaking under way. If any of you have a member who might be willing to give us an estimate on the lighting, please have them contact me at caramel_15255@msn.com. Part of the money will go into a maintenance fund. I have received a quote on the pole, plaque, and installation from Fly-Me-Flag, the folks Lynne was working with. It will be a 30 ft. black (to match the street lights) pole with a gold ball. Sen. Carol Roessler has volunteered to donate a 5x8 US Flag. The plaque is bronze and will be attached to the flagpole. It reads:

LYNNE WEBSTER
MEMORIAL FLAGPOLE

Upcoming Events

September 24 – New Member Orientation

October – Mid month

Our club will be doing a Rose Sale for Sweetest day. If every member sold just five dozen roses we could make over \$4,000.00 in one day. The roses will be \$15.00 a dozen with \$6 – 7 coming back to the club. Start getting your list of bosses or those who have sweethearts ready. This will be a quick but effective project.

Rotary Jargon

My Committee has decided... I managed to chat to a member of my committee just before the meeting.

The results were inconclusive... nothing was accomplished.

The Four Way Test

By Herbert I. Taylor – Chicago – 1932

Of the things we think, say or do:

First: Is it the truth?

Second: Is it fair to all concerned?

Third: Will it build goodwill and better friendships?

Fourth: Will it be beneficial to all concerned?
