### Today's Program

## Deputy Sheriff Steve Herman – Workplace Violence

### Vocational Month

Our PALS at Roosevelt School are looking for Rotarians to mentor students one day each week from 11:00am to 11:45 am. The mentor program has been very successful in the past, but needs more volunteers this year.

Jennifer Ruechl, first grade principal at Roosevelt School is looking for Rotarians to volunteer to listen to first graders read to them. Please contact Karen Fredrick for more information.

The year is off to a great start. Both Jr. Rotary's and Interact have great participation from all age groups. Jr. Rotary helped with the Titan Community Night Tailgate party by serving 800 sandwiches and received \$228 in goodwill offerings to be divided into 1/3 Tipler, Traeger and Interact. Although most Interact students were not able to attend, it was homecoming. The clubs are busy working on upcoming projects. The Holiday parade is coming up fast and all three clubs will be assisting with that. Interact is going to be involved with the Jaycees Haunted House. Jr Achievement Bowl a Thon is also a big participated adventure. Interact has already 6

teams, with the Jr. Rotary's also having some teams. Marcus and Heidi would be looking for some volunteers in the month of November. They are doing a pizza sale after school the entire month of November. They would need an adult to volunteer at Traeger from 2:45 to 3:20 each day of the week in November. If any members can help them out please give Marcus Butts or Heidi Husnick a call.

One of the other areas that Interact is involved is international. They send \$25 a month to the Christian Children's Fund and are a sponsor to a child from Ecuador; they received letters from the little girl's mom every now and again. All clubs will be providing help with the annual exchange club Christmas party as well.

There will also be a supervised children' s area available.

## Thank you

### A GREAT PAL: DR. MIKE BELL

Our PALS at Roosevelt School called to thank SW Rotary for being a great PAL this last week. Jami Kohl, principal at Roosevelt had 2 students with toothaches which required ice packs on their jaw. The free clinic was not available until the end of the month, so she called Mike Bell. He took care of both students that same day.

Thanks

## The Four Way Test

By Herbert I. Taylor – Chicago – 1932

Of the things we think, say or do:

**First:** Is it the truth?

**Second:** Is it fair to all concerned?

**Third:** Will it build goodwill and better friendships?

**Fourth:** Will it be beneficial to all concerned?
