CONGRATULATIONS!!!!!!!!!!!!!!!!!!!!!!

Some of you are aware that this award is coming to your club or have already received it, but some of you aren't. For the latter, I wanted to let you know of this recognition before you see it in print! We will make arrangements, in the very near future, for either me or your Assistant District Governor to present your club with your recognition materials...a banner and a letter from TRF Chairman James Lacy.

You are to be commended for the accomplishments of your club. What a wonderful effort! I hope this recognition will serve as a reminder of what your club has achieved and serve as motivation to continue its strong support of the Foundation in years to come.

Thank You!!!!
 Cathy Zimmerman

Billing Procedure

Your Board of Directors has approved the following invoicing procedures. Members will be invoiced quarterly, June 1st, September 1st, December 1st and March 1st for the upcoming quarter's dues, meals and

foundation raffles. Monthly invoices will be sent to reflect all other charges to the members account during the previous month (socials, guests, miscellaneous donations, etc.). Invoicing by e-mail is the preferred club method. Special requests for invoicing by mail can be made to the treasurer.

All accounts will be due in 30 days. A 30-day grace period will be provided before late charges calculated at 1.5% per month will be applied to each account. Any account that becomes delinquent beyond 120 days will be subject to collection actions by the club.

New members are offered to have all invoices charged to a credit card to simplify the billing procedure. Payment by check is also accepted. You may elect to have all charges handled on your credit card or you may provide the credit card information as a security deposit for your account. Invoices over 60 days old will automatically be charged to your credit card on file. If a discrepancy is found on your bill, a credit can be issued to your charge card upon written notification to the Treasurer.

The Four Way Test

By Herbert I. Taylor – Chicago – 1932

Of the things we think, say or do:

First: Is it the truth?

Second: Is it fair to all concerned?

Third: Will it build goodwill and better friendships?

Fourth: Will it be beneficial to all concerned?
