Community Service

Country USA – Volunteer training Meeting at Roy Duxstad's office this Thursday, June 10th 5:00pm, 45 minutes approximately. Also Roy could use one or two more volunteers for the evening shift on Saturday June 26th from 5:00-9:00pm. Come on; watch Bill Thimke on stage running the Cash Cube! One last note: "SELL THOSE RAFFLE TICKETS", let's make this a successful fundraiser.

Relay for Life – June 11th & 12th, Titan Stadium. We need 12 more walkers. We also need donations for our team. Last year we raised over \$1500. Please call **Trisha**

Schmiedel at 235-2347 or Audrey Mosebach at 235-0420 if you are interested in walking or pledging money for this much necessary cause. Cancer has touched somehow and or

affected each and every one of us; show our support to the battle and get on board!

Environmental Beautification Committee summary: Participants reviewed last month's minutes and were disappointed to hear of City Forester, Kevin Westphal's resignation. He sent Paul a letter thanking the beautification committee for its support of his work in Oshkosh. The 3 Rotary clubs agreed to cover the liability insurance that the Farmers Market needs to operate. Letters were sent to businesses requesting donations for the flower baskets lining the downtown streets. Award winners should be choose earlier in August to enable people to drive around and see their great work. They talked about a long-range vision for the Vulcan Quarry. Path Finders will be in town August 10-14, let Paul Fowler know of projects to be done. Any questions please see **Paul Fowler**.

International Service

In preparation for our Group Study Exchange to Tasmania in early 2005 we are looking for interested Rotarians to apply for the role of Team Leader. The person chosen will help with

the recruitment of Team Member applicants, their selection, and will train and work with them over a period of roughly 10 to 12 weeks prior to departure in February 2005. The successful Team Leader applicant will be energetic, able to relate well with Team members ages 25-40, be creative and able to "go with the flow". If interested contact **Tom Shepeck**.

The Four Way Test

By Herbert I. Taylor – Chicago – 1932

Of the things we think, say or do:

First: Is it the truth?

Second: Is it fair to all concerned?

Third: Will it build goodwill and better friendships?

Fourth: Will it be beneficial to all concerned?
