Community Health Screening on March 11
For members of the Community who are interested, Zion Lutheran Church will be the site of a health screening on March 11. On that day, Life Line Screening will scan the carotid artery in the neck for plaque build up, which can lead to STROKE, (75% of all strokes are linked to carotid artery blockage) and the arteries in the legs for peripheral arterial disease, which is linked to heart disease. They also offer a third test for aneurysms in the aortic vessel in the abdomen. Life Line will also offer on that day a bone density screening to test for Osteoporosis. This is a prevention program, and with early detection, these problems can be treated. The results are sent directly to you and referred back to your own doctor. These tests, which are non-invasive, completely painless and take only about ten minutes each, are offered for \$45.00 a piece or the 3 vascular tests for \$109.00. Clients can have the Osteoporosis test for \$45.00 or all 4 tests for \$139.00. Pre-registration is a must. Call 1-800-643-6075 for your appointment or for more information.
