Rotarian of the Week

Barb Schlieve – Owner / Assurance Title

Favorite Club Project:

Winefeast.

Proudest Achievement:

Purchasing my company at the age of 26 and keeping it afloat all these years.

My earliest memory:

My great grandmother strolling me down the sidewalk in this huge buggy on a sunny day, we were meeting my grandmother who was coming home from work.

Nobody in the club knows:

I've had 5 different last names already. (only 3 changed because of marriage) .

My favorite part of every Rotary meeting:

The speakers – I was just thinking how wonderful our speakers have been, so interesting.

3 things I'd want with me on a deserted island:

30 block sun screen, plenty of safe drinking water and a smart sexy man who could eventually get me off the island.

If I hadn't become a Rotarian, I never would have:

Realized how so many people around the world can be helped so efficiently through Rotary..

The one TV show I don't usually tell people I watch:

Nanny 911.

When I tell people I'm in Rotary they:

1 person thought it was a bunch of old men, some people ask if it's much of a commitment – I tell them no, you reap what you put in. .

If I had to eat three foods for the rest of my life:

Hamburgers, Rib Eye Steaks and the Burrito Especial from Lara's along with her hot sauce and chips. .
