Rotarian of the Week

Favorite Club Project:

Meals on Wheels

Proudest Achievement:

Becoming a dad. My daughter Leigh was born 10/5/00 and my son Connor was born 6/24/02.

My earliest memory:

As a child I distinctly remember my father bumping the drive-up diosk at First National Bank downtown Neenah. I was 2 1/2 at the time.

Nobody in the club knows:

I'm an Irish Citizen.

My favorite part of every Rotary meeting:

We don't do this here, but some other clubs do....singing and the jokes .

3 things I'd want with me on a deserted island:

A large boat, a good engine and lots of gas .

If I hadn't become a Rotarian, I never would have:

Learned so much about polio, learned so much about Peru and learned what a difference meals on Wheels can make.

The one TV show I don't usually tell people I watch:

I've got little kids so it's just amazing I get to watch TV by myself – it is most definitely the BBC World News.

When I tell people I'm in Rotary they:

It depends on how well read they are. Some people think Rotary is filled with stodgy old men or that it's very exclusive. My father-in-laws reaction though was appreciated. He remarked that he'd read something about Rotary was largely responsible for the near eradication of polio worldwide. That is the reaction I like.

If I had to eat three foods for the rest of my life:

Any variety of Egg Foo Young, The Mediterranean Pasta from Grazi's in Appleton and a good pint of Guinness.
