Rotarian of the Week

Bonnie Behnke – President SW Rotary

Favorite Club Project:

I have worked on most all of them, my favorite ones would be the Exchange Xmas Party, PALS, Winefeast and the Bowling Funraiser.

Proudest Achievement:

Being the mother of 2 awesome children and being the only child of a family of 11 to receive a college degree.

My earliest memory:

Being about 6 years old, walking to my maternal grandparents house after school and having vanilla ice cream with home made maple syrup and being treated very special from my grandparents.

Nobody in the club knows:

That I can be a rebel! I once broke into the local garage after hours, stole (actually borrowed) the wrecker and put it back when we were done with it..

My favorite part of every Rotary meeting:

For the past year it was ringing the bell, before that, mingling with rotary friends at lunch.

3 things I'd want with me on a deserted island:

Refreshments, good friends, good food.

If I hadn't become a Rotarian, I never would have:

Contributed so much to the community or grown so within myself and never met such awesome people with the same common bond.

The one TV show I don't usually tell people I watch:

Criminal Minds or Grays Anatomy.

When I tell people I'm in Rotary they:

Ask what kind of things do you do? I say how much time do you have!

If I had to eat three foods for the rest of my life:

Cheesecake, steak and pasta.
