TODAY'S PROGRAM: CLUB SERVICE - KATE THOME AND GLENN CURRAN

LEAD THE WAY

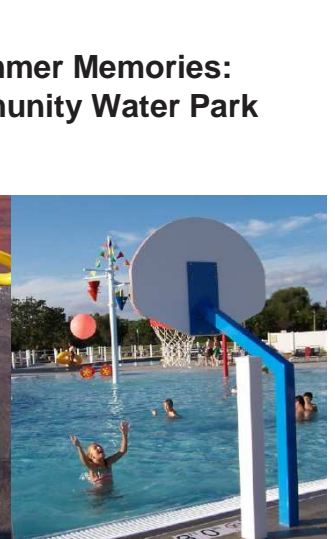

Project:

Pollock Community Water Park

Ahhh...the lazy, hazy days of summer! Remember swimming, diving, dipping, paddling and splashing in glistening water warmed by the summer sun? After the Pollock Pool closed in 2003, for many, these were just memories. However, through the major fund-raising efforts of the Oshkosh Area Community Foundation, Oshkosh Chamber of Commerce efforts, generosity of many organizations, individuals, and the \$15,000 donated by our Southwest Rotary Club, children and adults are again making great summer memories! Since June, over 55,000 people have entered the park. They come to "shoot the chutes" in tubes, glide down the lazy river, play in the sand, sunbathe, eat hot dogs and play under multiple water spouts, colorful sprayers, and water-splashing buckets. Tina Haffeman, Library Media Specialist with the Neenah Joint School District is thrilled. "I would like to let you know how much our family LOVES the water park! It's perfect! Thanks to you all who made it happen!" That includes several Club members: Eileen Connolly-Keesler, Executive Director of the Oshkosh Area Community Foundation; Tom Stephany, Parks and Forestry Director; Vicki Beltran who served on the original Park design committee; several of our Club members that provided generous financial support; and YOU, who participate in Club fundraising events to support community projects such as this! Look at the happy faces! Isn't it a great feeling to help *Lead the Way*?

NEWS AT A GLANCE

ROTARIAN OF THE WEEK

Amy Montgomery
Mortgage Loan Originator,
Citizens Bank

Favorite club project: Winefeast and the Reading Program at Roosevelt.

Proudest achievement: Managing a team to have the Oshkosh Office of Citizens Bank as 11th in the Corporation in Sales out of 180 offices in 2004 and earning a trip to Jamaica.

Earliest memory: Playing school with my grandma and I had to be the teacher!

Nobody in my club knows: I am scared of dogs – I was bitten and had 19 stitches in my face when I was in 2nd grade.

Favorite part of every Rotary meeting: Talking with fellow Rotarians and learning from the speakers.

Three things I'd want on a deserted island: Pizza, my husband, and the sunshine.

If I hadn't become a Rotarian, I never would have: Met so many community leaders and friends.

The one television show I don't usually tell people I watch is: King of Queens

When I tell people I'm in Rotary, they: Ask what the Rotary is and what we do.

If I had to eat three foods for the rest of my life, they would be: Pizza, Cookies & Cream granola bars and Perch.

THE FOUR WAY TEST

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
