LEAD THE WAY!

Focus: Interact

If you happen to be at Oshkosh West High School on Monday mornings at 11:30 a.m. you might find yourself in the middle of 40 energetic members of Interact.

Standing for “International Action,” Interact is engaging 200,000 high school youth in 110 countries (8700 clubs) to Rotary International’s ideals of leadership, personal integrity, respect for others, international goodwill and service.

The club at OWSH is one of five active Interact Clubs in Rotary District 6270. Assisting the local high school club this year are Southwest Rotary members Kathy Hanson, Kat Hughes and Karen Stauffer.

So far this year the club has won second place for the float they created for homecoming. They are currently involved in a project to design T-shirts to wear during club fundraising projects. Through the Christian Children’s Fund, members are also assisting a girl named Daniella to attend school in Ecuador.

In the past, other activities have included assisting at Evergreen Retirement Community, wrapping presents for the Children’s Christmas Party, helping with the Celebration of Lights, adopting a needy family at Christmas, raising money for juvenile diabetes, March of Dimes, and the Salvation Army. Let’s support our youth as they continue to *Lead the Way!*

ROTARIAN OF THE WEEK

John Holdorf, CIC
The McClone Insurance Group

Favorite club project: 4th of July Parade. It's great to see all the smiling faces in the crowd as the flags are handed out.

Proudest achievement: Raising our two children who have turned out to be very successful in their careers plus good citizens in their communities.

Earliest memory: Listening to a "Billy the Brownie" Christmas program on the radio when I was 3 or 4 years old. Kind of tells you how old I am.

Nobody in my club knows: I appeared on a nationally broadcast TV program from the New York World's Fair in 1965. (Right place at the right time)

Favorite part of every Rotary meeting: Just having a chance to meet with fellow Rotarians and the invocation. Both offer a chance to get out of our daily routine and think of others.

Three things I'd want on a deserted island: My wife (I HATE to cook), fishing equipment, golf clubs (and a lot of golf balls)

If I hadn't become a Rotarian, I never would have: Met so many people who are just as lousy golfers as I am.

The one television show I don't usually tell people I watch is: The Weather Channel

When I tell people I'm in Rotary, they: Are impressed by everything Rotary has done for the community.

If I had to eat three foods for the rest of my life, they would be: Oreo cookies, pizza, Honey Nut Cheerios.

Please send information to be included in next week's copy of THE HUB by Friday to:

THE FOUR WAY TEST

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
