### LEAD THE WAY Southwest Rotary Leaders

Look around you. They're sitting at your table right now, or leaning over someone else's table taking care of some necessary detail related to a Rotary project going on somewhere in town, down in Peru, at our PALS school, or over in Africa--or goodness knows where. They're frequently in meetings, sitting on, or chairing, committees, taking notes, making calls, uploading web information, running around arranging or coordinating an event set-up or take-down, delivering food, raising funds, making decisions about important issues, preparing meaningful thoughts to share at the meetings, managing volunteers, greeting people at the door, monitoring the club budget, making sure that bills are paid, filling in when someone important can't be where they need to be, and keeping schedules and projects on track. And they aren't getting paid. It's not even their regular job. And they do it while often balancing a full time job, parenting, carrying out family and personal commitments, and everything else on their full plates. Who are these incredible people? You who lead. You who give so generously of yourself to make a difference in our club and community. You lead without horns blowing and flags waving and without fanfare. You just do it! Today we recognize you for all you do to make such a difference. Your actions truly **Lead the Way**, over and over again, and we thank you!

### NEWS AT A GLANCE

- Thank you to Mike Stratz and Bob Beckstrom for hosting part of the Group Study Exchange (GSE) team that is arriving soon from Brazil. The group will be here May 4-8. Two more host families are needed. Please see Tom Shepeck if you can help.

### THINK SPRING!

## ROTARIAN OF THE WEEK

**Kathy Hanson**  
Store Manager,  
Miles Kimball Company

**Favorite club project:** Meals on Wheels. The chance to chat with a fellow Rotarian for an hour and be able to help someone else out.

**Proudest achievement:** The close relationship I have with my family. We all get along so well and I know that I can count on them for anything.

**Earliest memory:** My dad reading to me and helping me draw when I was 2 and he had rheumatic fever. It's probably where my love of books came from.

**Nobody in my club knows:** I'm part owner with my brother in his landscape business (Fox River Landscape Management) which is funny, since I kill every living plant that I come near. Good thing I just do the books for him.

**Favorite part of every Rotary meeting:** The conversations between everyone prior to the meeting.

**Three things I'd want on a deserted island:** Unlimited supply of books, my reading glasses and food (anything but liver or brussel sprouts)

**The one television show I don't usually tell people I watch is:** Dancing With the Stars. It amuses me to no end.

**When I tell people I'm in Southwest Rotary, they:** Want to know what we all do, then they are amazed at what this club has accomplished.

**If I had to eat three foods for the rest of my life, they would be:** Potato chips (I would die happy at the Frito Lay factory), Pepsi and chocolate.

### THE FOUR WAY TEST

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
