Today's Program: Brooke Barthels, "My Travels in Asia"

This year's International Rotary slogan, "Lead the Way" will soon give way to next year's mantra. It's another reminder that this Rotary year is quickly passing to the next. As we look back on this year and reflect on Southwest Rotary's embodiment of this charge, what do you remember?... The camaraderie we shared at the annual boat trip and Fun Night at Fowlers with Dennis in our presence? The excited children choosing backpacks for school? Bowling with your buddies? The cookout with the kids at Roosevelt Elementary School? Setting up and taking down lots of "stuff" at the Festival of Lights, WineFeast, and the Wrapping Party? The team who braved the cold to row the Dragonboat and those who cheered them on in the rain? All the speakers who captivated our attention, made us think and maybe dream of new possibilities? The kids and organizations that now reach their goals a little easier because of scholarships or donations made possible through our fundraising events? The smile on children's faces as they line up to receive nutrition from the third Soy Cow in Peru? The exchange students' stories of their lives at home and their new experiences in America? As you reminisce, think a little deeper. Think how we have truly led the way and made a positive difference in our own Rotary family, the community and the world this year. You were part of these efforts. YOU helped lead the way!

## NEWS AT A GLANCE

## THE FOUR WAY TEST

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
