Rotary News & Notes

News from the last two weeks:

- We'll be visiting the Leach Amphitheatre on June 18 for our meeting, lunch, and to dedicate the memorial bench for Dennis Fletcher.
- Dragon Boat Skipper Nicole is testing the waters to see how many Rotarians want to participate in this year's Dragon Boat Festival on Saturday, Sept 20. We need to get our registration in now, so if you're interested and didn't sign-up last week, let Nicole know this week.
- The Jr. Rotarian-run Brat Fry raising funds for Relay for Life brought in over \$500. Way to go, young Rotarians!
- Bill Thimke's back from his latest trip to Peru to work on our Soy Cow project. He also displayed the Soy Cow that he just delivered to Peru at the recent Rotary 6270 District Conference. As a result, he was approached by Fond du Lac and Glendale Rotary clubs about possible partnership opportunities. When it comes to beans – 'cool beans, Bill!'
- Last week's meeting was held at our PALs school, Roosevelt Elementary. We didn't get to spend quite as much time eating

lunch with the students as usual, but together, we saw a great magic show with lots of student participation.

Electronic Hub

On the recommendation of both the current board of directors and the incoming board of directors, Southwest Rotary will be following the path taken by many Rotary clubs, shifting the Hub to exclusively electronic delivery starting with the July 2 issue.

The Hub will continue to be available each week on the club Web site, as it has for the past 7 years. It is typically available no later than first thing in the morning of each week's meeting. There will be a paper copy or two on each table for guests.

If you'd like to receive an email notification each week when the Hub is available, just sign-up on the club Web site – follow the link on the home page in the "What's Hot" sidebar.

Changing of the Guard

Save the date – Marcus's send off will happen in style the evening of Wed., June 25 at the refurbished, historic, lakeside The Waters event facility.

Sign up forms are on your table today and next week at the Leach.

My family and I would like to thank Southwest Rotary for the beautiful plant and expression of sympathy in the recent death of my mother. The support and understanding from friends like those in Southwest Rotary help make times like these much easier to endure.

New in July's HUB

Fact or Fiction?

Beginning in July, each HUB will feature three statements submitted by one of our members. Two statements will be facts about them, the third will be fabrication. At each meeting before the program begins, we'll determine which of the three statements is fiction.

This is a fun and easy way to get to know each other and have fun!

Submit your Fact or Fiction? to Nancy Leipzig at <mailto:nancy.leipzig@sbcglobal.net>.

He Said / She Said

You can't have everything. Where would you put it?

Steven Wright

Think Boating!

It's time to start thinking about our annual Boat Trip. Admirals Greenfield and Hendrickson would love the honor of your presence on this year's outing.

It'll be a bit earlier this year – July 9. As last year, we'll meet at the Fratello's dock to hang out at the Tiki Bar from 5:30 to 6:30. Weigh anchors at 6:30 for a trip to a to-be-established waterside eatery.

Skippers and passengers needed. See sign-up sheets on your tables.

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
