Fran Finley is working on a program to mentor our new members. She will be contacting the chairs of our various committees to learn about more your activity needs. More to come.

Vicki Redlin is inviting any members to join her Membership Committee before our Rotary meeting on Oct. 15th at 11:30. This committee will focus on recruiting and retaining members. Since our goal is to build our club to 125

members by the end of Craig's term, this committee has important work to accomplish.

Eileen Connelly Keesler is working on the Meals on Wheels schedule for 2009. Our club takes care of one route on Tuesdays and Thursdays. If you are currently on the schedule and don't want any changes, you don't need to do contact her. If you are on the schedule and need a change, or if you would like to join the Meals on Wheels team, contact Eileen in the next few weeks. It's easy to do, takes about 45 minutes of your day and really makes a difference for the people you serve. David Green also commented that it's a great opportunity to get to know a fellow Rotarian since we typically pair up to do the deliveries.

Tim Lamers met with the Junior Rotary Club at Carl Traeger. He was pleasantly surprised that 25 kids showed up with enthusiasm and interest. They have some great ideas for projects – it should be a fun year!

From the Three-Club Meeting

We will be having a Three-Club Social on Saturday, November 1st. The event will take place at M & I Bank and will serve as a pre – Gallery Walk function. We’ll be having light h’orderves and beverages – details are in the works. The social will be from 5:30 to 7:30 and will be for Rotarians from our three Oshkosh clubs and your guests. Mark your calendar and watch for more details.

District Fall Seminar

The 6270 District Fall Seminar will be held Nov. 1st in Hartford. The title of the seminar is **What’s In Your Rotary Club’s Future?** Every District Rotarian is invited to attend this program. Morning treats and beverages will start the day.

The agenda includes a general session strategic planning, and two breakout sessions with a variety of topics in each avenue of service.

Breakout sessions are led by Rotarians throughout the district. Jim Chitwood is on a panel discussing Membership – Recruiting and Retention. Bill Wresch is presenting ABCs of Rotary for New Rotarians.

The seminar starts at 8:15 and ends at noon. This is a great opportunity to learn more about Rotary and your district. It’s also a way to meet other Rotarians and exchange ideas. Contact Craig if you are interested in attending.

Our Club Service team has also been getting it done, most recently with a poster board that will be used as a table display to promote Southwest Rotary. We will use this display at various community events where Southwest Rotarians are busy getting things done.

Our gratitude to JoAnn Bloom (Konkel) for her time and energy on this project – we can’t wait to see it live and in action. Thanks, JoAnn!

This poster board beautifully depicts the energy and commitment of Southwest Rotary and will be a great tool to help get the word out.

Promoting Southwest Rotary

One thing Rotarians don’t do enough of is letting our community know what we do. While we don’t want to brag (okay, most of us don’t want to brag), we do feel it’s important for people to know that we are club that gets it done. Every avenue of service at Southwest Rotary is active and accomplishing great things.

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

Fact or Fiction?

Member: Mel Wollangk

1. My gymnastic career ended when I grew too tall and the uneven bars could no longer be extended.
2. SuperBowl Sunday 2004, my then boyfriend and I decided to get married due to the added tax benefits for our soon to open business.
3. I speak fluent Italian which came in handy when I spent the summer of 1996 in Italy for photography.
