Volume 37, Issue 35 - March 25, 2009

## Topic: Dr. Joel Cler and Dr. Ilan Shapiro - Computer-assisted Knee Replacement

### Announcements from Craig

This year, the Rotary Group Study is taking place in April, and Cecil Streeter is coordinating the Group Study participants' visit to Oshkosh. Five young professionals from India are visiting Oshkosh on April 15<sup>th</sup> and our job is to find businesses for them to visit during the day and provide a tour of Oshkosh. Talk to Cecil if you have interest in being a host business or helping out in any other way.

### Other Announcements

Several announcements were made regarding Winefeast. A big thank you to everyone who has stepped up at the last minute to donate auction items. Please remember that ticket sales are crucial – bring your spouse, neighbor, coworkers! We have over 360 wines to sample this year not including the fabulous wines being served in Cellar Select.

Don Simons is “solo” that evening and would like to pull

together a Rotary Table for Cellar Select. Who's in?? Contact Kris or Don is you're game.

Jeff Schneider is in need of volunteers for set up on Thursday and Friday, as well as Saturday morning. We also need volunteers at the event and to help clean up. Sign up sheets are on the tables.

We are anticipating a short-fall with Winefeast this year so please do what you can to sell tickets and help make it a great evening.

Jim Chitwood made an announcement for The Final Four event, a fundraiser to assist UWO campus men and women athletes engaged in positive experiences and productive activities. Our club has a long history of supporting UWO Athletics. Jim is coordinating portions of ticket sales (tickets are \$100 each but Jim is splitting tickets). A total of \$10,000 in cash prizes will be distributed in this Titan Booster Club fundraiser. Information is out on the tables.

### The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
