Rotary News & Notes Announcements

Scholarships

As thoughts of going back to school once again enter our minds, Southwest Rotary received a tangible reminder of how our hard work translates into success in the future. Another six scholarships were awarded at our last club meeting. Congratulations to the recipients and congratulations to our club for investing in the future of our youth! This year more than \$11,000 was awarded to area students.

Dragon Boat Races

Join the fun on the Fox River as Southwest Rotary once again enters the annual Dragon Boat Races. We still need people to paddle. If interested see Nicole Allie. Dragon Boat races are held at the Leach Amphitheater and the adjacent Riverside Park on September 26.

Plans for the 2010 Rotary 6270 District Conference are

underway. Don't miss a fun weekend in Green Bay with your fellow Rotarians from around the state. For details on the conference, check out the Web site: www.catchtherotaryball.org

Waterfest

On Thursday, August 20th Waterfest welcomes back Three Dog Night. Our club will once again be staffing the concession stands to raise money for our projects. Volunteers are needed to serve beverages. Last time, we raised more than \$1,300 and had a lot of fun! We still need a handful of volunteers for the 5 to 8:30 p.m. shift, and a small army (about 30 people) for the 5:30 to 8:30 p.m. shift, and from 7 p.m. to close (about 10:30 p.m.). Sign-up sheets are on the tables, or see Emily Zimmerman to lend your support at Waterfest on August 20. And remember – family and friends are welcome to help out as well!

Rotaract

Please welcome members of the new Oshkosh Rotaract Club to today's meeting. They're here to make a plea for support in recruiting additional members.

For the past few months they've been trying to organize an Oshkosh Chapter of Rotaract. Recruitment of members (age 19 to 35) has been steady, but we could use a push. If you know of anyone within those age limits who may be interested in joining a service club or simply giving something back to the community then Rotaract may be the answer.

In the past few months we've established a board of directors for Oshkosh Rotaract, identified some areas where they can make an immediate impact (The Back to School Fair), and have struggled with the two major issues preventing young professionals from getting more involved with Rotary – the financial and time commitments. To help get the club “off the ground” a membership fee has been waived and meetings are scheduled for 6 p.m. on the second Tuesday and noon on the fourth Thursday of each month to accommodate busy schedules. Right now the most important thing you as a Rotarian can do to help is identify prospective members, especially in your own workplace. If you know of someone who may be a good fit for Rotaract, please pass their contact information on to Jeff Potts, Nicole Allie, Marcus Butts, Glenn Nelson, or Karen Fredrick. The Future of Rotary is in Your Hands and that starts with getting young people involved in organizations like Rotaract! Please do what you can to support this new club.

EAA Picnic (revisited)

Tom Shepeck described this year's EAA Flying Rotarian picnic as the “best and biggest we've ever had!” But he wouldn't take all the credit – he said a small army of volunteers (more than 35) went above and beyond in planning the event including EAA for lining up the speaker and providing guest passes for our club members to spend the afternoon on the AirVenture grounds. So, thanks to everyone who attended and helped this year – it's was truly memorable. An in case you missed the picnic, you also missed out on the ultimate celebrity encounter as Harrison Ford stopped by to say hello.

Shared Harvest

Ken Friedman and his army of tomato plants reports donations to the Shared Harvest program are coming in at a steady pace. To date, more than 3,500 pounds of produce have been collected and donated to area food pantries. And a special thanks to K&K Honey Farms for donating a half ton of sweet corn (that's 1,000 pounds). We still need volunteers to staff the area farm markets – sign up today!

The Four Way Test

Of the things we think, say or do:

5. Is it the truth?
6. Is it fair to all concerned?
7. Will it build good will and better friendships?
8. Will it be beneficial to all concerned?
