#### Catch the Rotary Ball

Plans for the 2010 Rotary District 6270 Conference are coming together, as Southwest Rotary proudly hosts this year's conference at the Radisson Hotel and Lambeau Field in Green Bay on May 14 through 16.

In addition to the fun of learning and socializing with fellow Rotarians from around the state, the conference also offers a golf outing, tours of the Lambeau Field Hall of Fame and a dinner with semi-formal ball on Saturday night featuring music by the Groove Hogs. Hotel rooms are just \$99 per night.

Just announced: Green Bay Packer announcer Larry McCarren will be part of the celebration. Mr. McCarren will

be one of the keynote speakers at the conference.

Sponsorship opportunities are available for many aspects of the conference – including the opportunity to sponsor Mr. McCarren's appearance, including a meet and greet.

John Shier, aka "That Nurse Guy," is the other keynote speaker. He will present "Live Long, Die Healthy" a program about living life to the fullest by taking a proactive approach to health care.

For more information on sponsorship opportunities see Wendy Heilsberg or a member of the Conference committee.

Admission to the conference, including meals, is \$119.

As our club is hosting the conference we'd really like to see everyone attend.

## Winefeast

Winefeast is still in need of auction items of all shapes and sizes. If you or your company has something to donate, contact Jacci Belter as soon as possible.

Also make plans to attend this annual fundraising event which helps support the Oshkosh Boys & Girls Club. Winefeast will be held on April 17 at the Oshkosh Convention Center. The event features samples of more than 200 varieties of wine and hand-crafted beers as well as an auction, silent auction, raffle, and food from more than 20 area restaurants.

## Tipler Rotarians

Thank you to everyone who donated at last week's meeting to the Tipler Rotarians effort to raise money to cure leukemia. Special thanks to Karen Frederick for putting out the donation boxes. For more details on the Tipler Rotarians, see Karen.

## Swedish GSE Team

In May, members of the Rotary District 2330 (300 km north of Stockholm, Sweden) will visit our district for the Group Study Exchange. The four member team will spend a few days traveling our district and getting to know Rotarians and learning about employment issues in our area. The four members – Sandra, Anna-Karin, Evert and

Nils – are looking forward to their trip to Wisconsin and in the most recent District 6270 Newsletter they have spent some time “cruising on [our] very structured and informative Web-pages... We are all looking forward to meet you and visit America and Wisconsin.” Cecil Streeter is helping coordinate the Group Study Exchange. If you have questions or would like to help, contact Cecil.

## Downtown Construction

Last week we heard from Maureen Lasky about the downtown road construction that started this week. Just a reminder that downtown businesses are still open and need your support. While this construction project will last through November, Main Street and downtown will continue to be “business as usual.” Please make an extra effort in the coming months to support our downtown merchants.

For detailed construction and parking maps, or for more information on construction or the Downtown Business Improvement District, visit their Web site:

[www.DowntownOshkosh.com](http://www.DowntownOshkosh.com).

Thanks to everyone for supporting downtown Oshkosh during this necessary road construction project!

## The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
