Rotary News & Notes Announcements

June Rotary Meetings

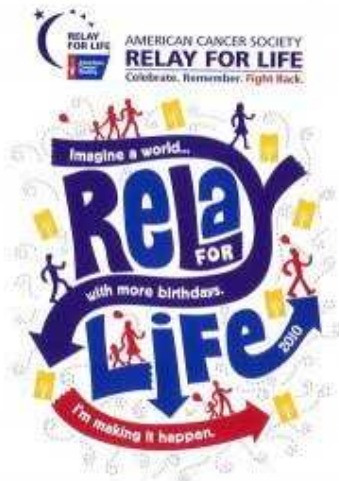

Summer is almost here and that means it's time to take our weekly Rotary meetings on the road for some special events. Mark your calendars for **June 2** when we'll visit with our PALs at Roosevelt School for the annual picnic; and on **June 23** we'll head to Opera House Square park in downtown Oshkosh for Live at Lunch – featuring live music and lunch by a downtown restaurant.

Also, make note of the June 9 meeting as we want to allow as much time for our featured speaker, Lance Fox, "Climbing Mount Everest," therefore we ask that any announcements you are planning for that week be reserved for a future meeting. OR you can submit information to be published in The Hub - contact Jeff Potts to have your information included in The Hub.

Relay for Life

The annual American Cancer Society Relay for Life event will be held on Friday, June 18

starting at 6 p.m. at Oshkosh West High School. Not only is this a great opportunity to raise funds for a worthy cause it's also the chance to pay tribute to survivors and loved ones who have courageously fought this disease. Contact Ken Friedman or Jeff Krueger for more information including how to secure an official Relay for Life T-Shirt.

If raising money for a great cause isn't enough motivation, maybe the opportunity to see fellow Rotarians dressed up as their alter-egos is. If you don't know what we're talking about there's only one way to find out – attend Relay for Life on June 18 and see who wins the Best Look-Her Contest!

Congratulations Bill Thimke

Each year, Rotary International recognizes the achievements of 150 individuals with the "Service Above Self Award."

This year, our own Bill Thimke received the honor at the District 6270 Conference.

The "numbers" reveal this award is a really big deal. Globally, there are more than 1.2 million Rotarians; 33,000 Rotary Clubs; and 550 Rotary Districts. Each district gets to nominate one person for this award which means only about one in four districts will have someone recognized. A total of 150 "Service Above Self Awards" are given each year and because of Bill's hard work on the soy coy project, he was selected to be honored.

Bill's efforts began nearly a decade ago and today have grown to include four soy cows in three municipalities in Peru. These soy cows provide milk to 3,000 children each day. As we all know Bill's path hasn't been easy and often his creativity, persistence, a ready smile and a deep understanding of the local culture was the only thing that helped the project move forward.

For his hard work, his success, and his long-term commitment to the children of Peru, Bill Thimke was an obvious choice for this award. Congratulations Bill – you've inspired us all!

Waterfest – July 22

Volunteers are needed to work the concession stands at Waterfest on July 22 (.38 Special is the headlining act). It's a fun way to socialize with fellow Rotarians while earning some money for our club. Look for sign-up sheets on your table.

Winefest was a Success!

Congratulations to everyone who worked on Winefest. We are proud to report the event netted more than \$85,000 for the Boys & Girls Club & our own Oshkosh SW Rotary. (That's up \$11,000 from last year).

IrishFest

Mark your calendars for IrishFest at the Leach Amphitheater from June 11 to 13. Our club will be working the concession stands to earn money to support our good music, good food, good beer and, of course, good people. Sign up at your table today to help out!

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
