Rotary News & Notes

Announcements:

March 16th Club Meeting

REMINDER (for those receiving The Hub electronically): Today (March 16) we will meet at the Oshkosh Boys and Girls Club in downtown. There will be a roundtable at Robbins. Thanks!

WineFeast

The annual WineFeast – fundraiser for the Boys and Girls Club of Oshkosh will be held on April 2. Sponsors are still needed as are volunteers AND attendees. Watch for a sign up sheet at the meeting and it's literally one stop shopping for everything – including raffle tickets to win Groceries for a Year from Festival Foods! There is very limited space for the Cellar Selection portion of the event – reserve yours today!

Host Families Needed

Tom Shepeck is looking for willing families to have a very unique experience – hosting an

international exchange student. Host families do, or someone you know, is interested in providing a welcoming experience for an international student (and willing to be personally enriched by this experience) contact Tom ASAP.

Smarter than a 5th Grader?

Saturday April 9, members of our Rotary Club will attempt to prove they are smarter than the average fifth grader (if they can't do that they will at least help raise some money for the United Way's Imagination City). The event is from 10 to noon at Lourdes High School. Please plan on attending to cheer on our team and help with this worthy cause. For more information, contact Nicole Peterson.

PALs Lunch & Learn

Rotarians are needed to participate in upcoming Lunch & Learn programs at Roosevelt Elementary School. Your task: simply tell students about your career. Contact Marcus Butts for complete details.

New Website

Thanks Craig Burnett for a complete redesign of our club's website. Not only does, www.oshkoshrotarysouthwest.org look better, but it is more functional than ever.

Some highlights:

A new look - including information for the general public and a private "members only" section; easy content management; the ability to update personal interest finder to get involved with club projects that meet your passion; and new members can easily and instantly be added to our on-line roster.

What to do today:

1) Login to the new website and update your member directory listing – especially your Rotary interests. Check your email from 3/2 for complete instructions or ask around for help.

2) If you're in charge of a committee, document how the committee works for our project planner. Login to the member-only area of the website, look on the left for "project planner" and away you go. (If you need an example, use "Scholarship" project for the information you should collect and provide). Information should be sent to the Club President.

3) Show your face! Add your picture to the member directory. The veteran members know you, but the new ones may not. This is a great way to stay connected to your fellow Rotarians.

4) Still confused? Don't be afraid to play around on the website. Experiment with all the bells and whistles – don't worry you can't break it.

Volunteers are still needed to help maintain some content, help train new users, and to keep an active on-line presence. See Craig for more information to volunteer your talents.

FREE dessert

Free Dessert on March 30! If you upload your picture to the new website by the **Wednesday, March 30th meeting**, you will get free dessert at lunch.

It isn't difficult, just go to your individual member area and select a photo that you have saved to your computer by clicking on "browse."

The photos will really help the new (and old!) members get to know who everyone is. If you don't have a picture, there will be someone available to take digital pictures after the meeting on the 30th.

Greeters Needed

Say hello to your fellow Rotarians as they show up for our weekly meetings. Greeters are needed – watch for a sign-up sheet soon. And if you have a RED badge don't forget you need to do this fun activity to become a BLUE badge.

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
