DG Message

January is Rotary Awareness month. As we begin the second half of the Rotary year, are all clubs on track with their goals? How is your membership doing? How are you doing in having every member contribute to the Rotary Foundation?

This is a good time to evaluate the club goals and see if you are meeting them, or need to make adjustments. Would you like to have someone from one of the district committees be a speaker to learn more about a subject-International Community Service, Group Study Exchange (the Italian team can do a presentation), Water, Hunger, or Polio. All of the chairs of those committees are available to speak to your club. Rotary International has a great deal of information on their website at rotary.org.

Rick Debe, DGE will be leaving for the International Assembly which is the training for the 529 governors of the world. He has been planning for his year, and I hope all of you have your teams in place for the upcoming Rotary year. How are you doing in finding younger club members to join you? We have 1 new Interact club, and hopefully a few more these second half of the year. I know of 2 groups who are working on starting a

new Rotaract club. We still have one half of a year to Reach Within to Embrace Humanity and help your local community, help with international projects, and especially promote Rotary so your communities are aware of all the good work you are doing.

We will have a change in one of our speakers for the district conference. Stuart Batty, PDG from New Zealand is unable to attend. The earthquake aftershocks in Christchurch where he lives, continue and the scientists are predicting that the worst is not over and they may well have another quake in the coming weeks which may trigger a Tsunami.

The Rotarians there are helping their fellow citizens from the devastation of the last quake, but Stuart is committed to helping those who have been affected. We will be meeting this challenge by finding a new speaker, and we hopefully will have registration materials available for the District Conference within a few weeks. Have a great start to the New Year, and resolve to make Rotary stronger in each of your communities and in the world. Reach Within to Embrace Humanity.”

From the Rotary 6270 District Governor, Nancy Rhodes

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
