April 4 Club Meeting OFFSITE

Oshkosh Southwest Rotary Club will hold their April 4 meeting at the Oshkosh Boys & Girls Club, 501 E. Parkway. This is always a wonderful experience and a chance to learn about what happens at the Boys & Girls Club. Mark your calendars and please plan on attending.

SW Rotary Scholarships

Our club has more than \$11,000 to give away as scholarships to local students this year. If you know of a worthy student please encourage them to apply. Scholarships range from \$500 to \$1,000.

Awards are based on community service, leadership roles in school and the community, grades, future plans and financial need. Application requirements are official transcripts and an ACT or SAT score. The deadline is April 9.

Visit: www.WinnebagoCountyScholarships.org for information on the Oshkosh Southwest Rotary scholarships and many others.

Back to School Fair

It's not too early to start thinking about the annual Back To School Fair. Melody Wollangk is looking for a handful of Rotarians to help serve on the committee. It's a great opportunity for new members to get involved (and turn their red badge into a blue badge).

Smarter than a 5th Grader?

Can one of the Oshkosh Area Rotary Clubs take home the trophy, leaving the Oshkosh Area Kiwanis Clubs in the dust? Or will one of the other teams prevail? Find out when local teams put their brain power to the test on Saturday, March 31, 2012 at Lourdes High School-Bill Behring Commons from 10 a.m. to noon. \$5 admission per person or \$20 per family includes a pizza party after the event, silent auction and raffle items. Proceeds to fund books for local kids through Dolly Parton's Imagination Library.

Oshkosh Rotary Clubs

The Oshkosh Morning Rotary club has been disbanded, but fear not as our community will still be home to three great Rotary clubs. Former Morning Club members are planning to reorganize as an E-Club. The new E-Club will meet twice a month for in person meetings (with drinks and appetizers) and then meet "virtually" (internet-based) the rest of the weeks. Because of this unique format, not only will time commitments for meetings be less, but membership dues will be lower than traditional clubs. Many details still need to be worked out, but they are initially planning on meeting from 5:15 to 6:15 on Thursday nights. Their first meeting will likely be sometime in mid-April. They are

hoping to have 25-30 members by the end of the year. If you know someone that may be interested in this new concept of Rotary Club meetings, contact Ryan Ames at rpames@ramesod.com.

RI: Polio Eradication

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
