Rotary News & Notes Announcements:

Oshkosh Rotary E-Club

The newest Oshkosh Rotary Club – and E-Club – will have its first meeting in May. Contact Ryan Ames for more information, rpames@ramesod.com.

Brewers Game Bus Trip

There is still some room for the June 10th trip to Miller Park to see the Milwaukee Brewers. Tickets (including coach bus transportation) are \$100 per person. Tickets include seats in Harley Davidson deck, a buffet and two beverages. More than 28 Rotarians have already signed up and there is room for another 12 people, so the offer is not open to non-club members. Dick Casey is organizing the trip, contact him to reserve your tickets: rcasey4424@gmail.com or (920) 231-4843.

Back to School Fair

It's not too early to start thinking about the annual Back to School

Fair. Melody Wollangk is looking for a handful of Rotarians to help serve on the committee. It's a great opportunity for new members to get involved (and turn their red badge into a blue badge).

Roosevelt Picnic

The annual picnic at our PAL school will be held on Wednesday, May 30 starting at 11:30 a.m.

This is a great opportunity to spend some time with the students and staff at our PAL School. Please make plans to attend and if you'd like to help with preparations, contact Marcus Butts.

District Water Project

Rotary District 6270 currently has a project to distribute water filters in Haiti. With a grant

from the Rotary Foundation, together with donations from Rotary clubs, a non profit foundation and individuals, we will distribute 863 water filters to poor people in the lower central plateau area of Haiti. The Rotary Club of Mirebalais, Haiti is cooperating and overseeing the project.

A donation has enabled us to hire two Haitian men to distribute the filters. They seek out the areas where there is no access to pure water. One such area is Grand Boucan. The picture below shows the water source for these people. Most of the people contracted had a history of diarrheal disease. We will check back in the future to access the effectiveness of the filters.

Each filters costs \$52.00 and consists of a five gallon bucket with lid and attached filter. This filter is reasonably priced, long lasting, low maintenance and has a fairly good flow rate.

Please consider donating to this project.

Checks should be made payable to The Lake Country Foundation with a note "Haiti Water Filters." Please mail your donation to:

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
