## RI: "This Close" to getting rid of Polio

After 25 years of hard work, Rotary and its partners are now "This Close" to eradicating polio. Celebrities from Bill Gates to Ziggy Marley have signed on to help spread the word, and now you can join them. Go to [www.ThisClose.net](http://www.ThisClose.net) to check out information on how we are "this close" to wiping out polio worldwide. Polio cases have plunged from about 350,000 cases in 1988 to fewer than 1,300 reported cases in 2010. More than two billion children have been immunized in 122 countries, preventing five million cases of paralysis and 250,000 pediatric deaths. To learn more about polio eradication, including how to participate in this historic effort, visit: [www.Rotary.org/endpolio](http://www.Rotary.org/endpolio).

## Shared Harvest

The summer schedule for working our Shared Harvest booth at the Saturday Farmers Market is out. Contact Ken Friedman if you need to change your shift or volunteer to work. It's a great opportunity to see this program in action. Shared Harvest collects donations of fresh produce to donate to the local food pantry. Volunteers each week help pick up donations and answer questions while enjoying the atmosphere of the downtown Farmers Market on Saturday mornings.

## The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
