Rotary News & Notes Announcements:

Engage Rotary!

As we celebrate 40 years of being the Oshkosh Rotary Southwest Club and begin our 41st year it is a great honor to serve as club president. The coming year will be filled with opportunities to once again showcase the dedication and talents of our club members as we continue to live the motto of "Service Above Self."

Fresh off a trip to the Rotary International conference in Lisbon, Portugal, I return with gratitude in my heart and pride in the organization we all represent. Most importantly I return with excitement about the possibilities of improving our community. RI President, Ron Burton, chose a theme that is both powerful and captivating for the upcoming year: "Engage Rotary – Change Lives!" The power of Rotary stems from the strength of fellowship and a shared vision. Being a Rotarian brands us as someone who wants to be proactive as we build stronger communities, deal with

challenges and recognize opportunities to make a positive difference.

I ask that you join me in the coming year to help transform lives as we enhance our own. Together we will make a difference right here in Oshkosh and around the world by continuing our traditions of service. We will focus on attracting and retaining quality members to our club without compromising our five avenues of service or the four way test. We will engage and change lives!

As we begin the new Rotary year, I'd to thank past-president Mike Scott for his leadership; thank you to our outgoing members of the Board of Directors for their service; welcome to our new board of directors who are motivated business leaders, dedicated to the successful operation of our club; and finally thank you to the total membership – without your support we would not be the strong club we are today.

Yours in service,

Lori Davis

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
