DG 6270 Message

Where has the time gone? It's November and the leaves on the trees have changed color and are dropping. We have put away our summer clothes and replaced them with our warmer winter clothes. It is now dark when we drive home from work and Christmas decorations have popped up in stores.

I have just finished visiting the 56 clubs in the district. I had vowed to have them all visited before the snow fell and travel became difficult. Meeting with club leadership and club members was indeed a great

experience. Hearing what our clubs are doing in their communities and internationally was very moving. Our clubs are truly engaged in Rotary Service.

This is Rotary Foundation Month. We have a Foundation that does such good throughout the world and as a Rotarian we are a part of this very large service organization. As a member of any group or organization, there are some expectations and responsibilities. Giving to our Foundation is part of that expectation.

The majority of our clubs and members give to the Foundation BUT I was very surprised to see that a number of our clubs and members give nothing. We should ALL be part of the "Every Rotarian Every Year" program at the least. \$100 a year to the Foundation is a small amount to give. I see members with their specialty coffee, talking about going south for the winter or north for the summer but yet cannot support our Rotary Foundation. If each of us became an EREY what a difference we could make in the world

I challenge each club and each member to reconsider their giving to the Foundation. Giving something is better than giving nothing. Our pin says "Rotary International," and our Foundation needs your support.

-Dan Christianson, Rotary 6270 District Governor

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
