We'll see you all in Menominee Park Feb. 21 and 22.

Little Oshkosh Playground

Committees are being formed to help with the restoration of the Little Oshkosh playground in Menominee Park.

If you haven't already signed up for a committee to help fundraiser, market, event plan or just lend some elbow grease, please do so soon.

We need everyone's help to make this project a success this year and ensure the playground entertains children for generations to come.

Rotary in February

The theme for the month is "World Understanding". What does this actually mean for the average Rotarian or Rotary Club? From what I have read and have done some research on it means we are to communicate to our local communities what we are doing on an international level. We need to increase the level of awareness locally. How do we support international understanding between cultures and countries?

If I asked every Rotarian in the District, each of you could tell me of an International Project your club was or is involved with. The questions are...has this been passed along to your individual communities? Do we share this information with our friends, neighbors co-workers...we should.

Rotary is doing so much good in the world. Look at our 6 areas of focus, our peace centers, the 5 avenues of service, and the list goes on and on.

Last month was Rotary Awareness Month and this month is World Understanding... don't they go hand and hand?

Our communities see and read what we do on a local level. Now we need to tell them what we are doing on a larger platform... the international level.

I challenge each of you and your club to let your community know what you do on the international level.

Feb 23 is a special day in Rotary... Do you know why?

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
