Dragonboat Team?

The Southwest Rotary Board of Directors is gauging interest in having a dragonboat team for this year's Fall Fest on the Fox. These giant canoe-like boats require 20 paddlers and a drummer to get them moving. No past experience is necessary. If you are interested in forming a team contact a member of Community Service or talk with President-elect Nicole Peterson.

Plans are underway for the annual EAA Flying Rotarian Corn Roast. Our annual meeting on the AirVenture grounds will take place at the Nature Center at noon on Wednesday, July 30. Contact Mark Stockli to help out and make plans to attend.

Scholarship Update

This week our club awarded nearly \$11,000 in scholarships to local students. Thanks to of Patty Shea, Wendy Hielsberg

and Craig Burnet for their work reviewing applications as part of the scholarship committee.

Club Website

We've been working hard to update information on our club website. If you haven't logged on recently please take a little time to do so. You'll find important information like our upcoming programs and events, our clubs record of giving to charitable causes and much more.

Also make sure to update your profile section. At minimum a photograph and contact information will help all club members to better know one another and give us the ability to reach to better coordinate Rotary initiatives. If you'd like information about getting content up on the website, contact Dawn Benish. For information on accessing your profile or logging into the members only section of the website, contact Jeff Potts.

Make Up Meetings

Remember if you chair a committee, attend another Rotary club meeting, or attend an official Southwest Rotary event or outing you get credit for a makeup meeting. Please submit information about the make up to Jeff Potts, secretary, within two weeks of the make up to receive credit.

The Four Way Test

Of the things we think, say
or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
