

Topic: "A New Rotary Year: What Can We Expect?"

Rotary News & Notes Announcements:

From the District Governor

Welcome to the new Rotary year! I have to begin with a very hearty THANK YOU to all the outgoing Rotary leaders, club presidents, and committee chairs! You have all been so generous in sharing your talents and abilities to lead the clubs in District 6270. Your efforts are appreciated by all of us and I hope you all will continue to find ways to "Light Up Rotary" by sharing your unique talents... As Rotarians, we each find a way to light our unique candle and do what we can. I light mine – you light yours – and pretty soon we have 1.2 million Rotarians Lighting Up Rotary and the world.

The fight against polio is an excellent example. As individuals, or as clubs, there is no way we could tackle the problem of polio. But with each of us lighting our own candle i.e. using our unique talent – raising money for PolioPlus, traveling to conduct immunizations, or helping educate the public – we

can eradicate this disease – we are This Close!

So in the next week or two please take the time to look within your heart, identify your unique talents, and then find ways to "LIGHT UP ROTARY" by sharing those talents to improve the lives of others. Next, look for other potential Rotarians in your community who can add their spark of light to your club and invite them to join you. Believe me, in the end you will benefit more than those you serve!

Thank you for trusting me with the honor of this title, and I look forward to serving you during the 2014-2015 Rotary year. Together we will— "LIGHT UP ROTARY"

-District 6270 Governor Mary Beth Seiser (excerpts from Rotary6270.org).

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
