District 6270 Update

April means the beginning of the fourth quarter of the Rotary year and clubs in our district are busier than ever. There are clubs celebrating anniversaries, giving awards to local businesses, holding fundraisers and socials, and celebrating Rotary Days in their communities. Our Youth Exchange committee is busy preparing the current inbound students for their journey back

home and the outbound students for their overseas adventure. Thank you to the clubs who are sponsoring students.

Plans for the TRICON District Conference are well underway and we are anxious to welcome you to Appleton to celebrate this year when all of us worked hard to “Light Up Rotary!” All of the related information for the conference is on the district website.

Remember that if your club has not made their contributions to the Rotary Foundation yet, please consider doing that in the next month. RI becomes overwhelmed with work later in the Rotary year and if you wait too long to make your donations to the Annual Fund and Polio Plus fun it might not be recorded until after July 1 and will fall into next year.

I would be remiss if I didn’t congratulate and thank all the clubs who have already met their goals for the Annual Fund and Polio Plus. It is truly appreciated.

I’m looking forward to seeing all of you in Appleton in May and thank you for all you do to “light up Rotary!”

-Mary Beth Seiser, governor, Rotary District 6270

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
