Rotary Fellowships

One aspect of Rotary that I love is the opportunity for international relationships. Not only can we practice Service Above Self by reaching out to people all over the world, but we can also expand our horizons by meeting and exchanging ideas with people in other cultures. Many Rotarians don't realize that there are established Rotary Fellowships, open to all of us as a way to build relationships.

Do you like Beer or Wine? (I know, that can be a silly question in Wisconsin!). There are fellowships for that. Are you someone who loves to spend weekends bicycling – curling – geocaching – canoeing – or cooking? Are you a lawyer, a travel agent, or in Law Enforcement? Do you love to travel, or attend Rotary International Conventions? Are you single and someone who would like to meet other single Rotarians? There are fellowships for all of those!

Are you interested in growing your business, or expanding overseas? Check out the "Rotary Means Business" fellowship. I was part of the Quilters and Fiber Artist fellowship and we worked together to make quilts and afghans to raise money for Polio. Rotarians from all over the world knit, crocheted, or pieced a quilt square, then a lovely Rotarian in England put them all

together and they were auctioned at an International Convention.

With about 66 different fellowships you are bound to find something you like. Check it out by Googling "Rotary Fellowships" or searching under "MyRotary" on the RI website. Then let me know which one you joined!

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
