**Maternal and Child Health**

It's almost mother's day so it's a good time to reflect on this month's focus, which is Maternal and Child health.

District Governor Karen White discusses an article on [Rotary.org/myrotary](http://Rotary.org/myrotary) which highlights the work of a nurse in Uganda who focuses on maternal and child health.

“Statistics show that on average 310 women die for every 100,000 live births. In Uganda 45 out of 1000 infants never reach age 1.”

**The Four Way Test**

**Of the things we think, say or do:**

- 1. Is it the truth?**
- 2. Is it fair to all concerned?**
- 3. Will it build good will and better friendships?**
- 4. Will it be beneficial to all concerned?**
