### THANK YOU ~ JEFF POTTS

Fellow Rotarians,

As I look back on the past year it's amazing to see just how much our club does to benefit the lives of friends, family and complete strangers.

As a nonprofit guy I'm used to terms such as "budget deficit," "crisis communication planning" and "what the heck do we do next," which ironically prepared me perfectly for my year leading our club.

From finding new and exciting venues to coming up with creative ways to support charitable causes (without necessarily writing a check), this past year undoubtedly will be remembered as one in which our club changed - not only meeting locations, but our focus.

We can still impact the world locally and globally, but we also need to pay a little attention to fostering the growth of our own club. If we don't take care of ourselves we won't be able to take care of all those other groups and projects we hold so dear.

To everyone who volunteered on the board and our various committees this past year – thank you! Your service made my job enjoyable.

As we celebrate another successful year of "Service Above Self" I'm proud, humbled and honored to have served as President of Oshkosh Rotary Southwest – the largest and greatest collective of leaders in our city.

Thank you.  
Jeff Potts
