TODAY'S SPEAKER

Today's speaker is Craig Burnett,

In the spirit of ideas worth spreading, TED has created a program called TEDx. TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. Our event is called TEDxOshkosh, where x = independently organized TED event. At our TEDxOshkosh event, TEDTalks video and live speakers will combine to spark deep discussion and connection in a small group. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized.

TODAY'S SPEAKER

We also welcome Rotaract representatives from Lourdes Academy, Oshkosh North, Oshkosh West, and Valley Christian

BEAUTIFICATION AWARD

The Environmental Concerns and Beautification Committee gave the City of Oshkosh a beautification award for its

work on the bungalow district of N Main Street between New York and Murdock.

Ken Friedman will be presenting the award and is tentatively scheduled for the Sep 26 City Council meeting.

Mayor Cummings will be attending our February meeting for the presentations of the other beautification awards.

The Four Way Test

Of the things we think, say or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it **build** good will and better friendships?
4. Will it be **beneficial** to all concerned?
