Today's Speaker: Jeff Buchta
Tri-County Dental

TODAY'S SPEAKER

Today's speaker is Jeff Buchta, CEO and Executive Director of Tri-County Dental. Jeff is the second to be at the helm of TCC following Robert Glass who retired due to illness. Jeff came to TCD with a diverse background in industry with his most recent position being Vice President of Sales for WS Packaging. The concept of a Tri-County Dental clinic began in 2002 when a life study of Fox Cities indicated that 25,000 people living in Winnebago, Outagamie, and Calumet counties were uninsured, or underinsured and not able to afford basic dental care. With that in mind a group of local dentist and community leaders began a plan to build and staff an all-volunteer 10 chair dental clinic to serve this need.

Their mission- Tri-County Dental is a volunteer-based dental clinic whose mission is to provide quality oral health care in a caring and compassionate manner. Serving individuals in Calumet, Outagamie and Winnebago counties whose access to dental health care is limited due to low income or receiving Medicaid benefits.

Thank you, Jeff!

Dec 13 Parent Connection Christmas
Jan 18 Bowling FUNraiser

Here is a note from Julia →→→→→ that she had sent to me when I asked her if she had any ideas of things she wanted to do while in Wisconsin (I may have added a few ideas for her.) Julia really has been a pleasure to get to know while she has been here. She has a great sense of humor and is looking forward to getting the most out of her stay here and in doing so it would be great if you could keep her in mind throughout the year on things you might be doing that could include Julia.

As I always said as much as Julia is an ambassador to her country; Italy, we are an ambassador to her for our country so she can take those experiences back with her. Being involved with Julia could be a simple as having her over for dinner or going out to dinner, include her with a family birthday etc., it does not need to be a big event.

Julia does have a Rotary cell phone that you can call or text her to set that up.

~ Jeff Hackbarth

ENVIRONMENTAL CONCERNS & BEAUTIFICATION COMMITTEE

The Environmental Concerns & Beautification Committee will be meeting at 8:00am,

Friday, Oct 20 at Delta Restaurant, 515 N Sawyer St, Oshkosh.

Dear Rotarians:

First I would like to say thanks to Rotary for welcoming me into your family. It has been amazing how time has gone just in the first two months that I have been here.

I am still looking to experience as much as I can during my exchange and looking forward to getting to know all of you. For example, go to Chicago, Green Bay possibly a Packer game? Wisconsin Dells or Door County, skiing, bowling, trap shooting, golfing, EAA museum, curling, Grand Theater, fishing, go to a haunted house, a trip to Hawaii, Herd Basketball game, and I am sure there are a number of things I haven't learned about yet that would be wonderful to see as well.

Please think of me throughout the year and maybe I could join you.

Julia Rivella

WATER HEROES

Communities at Oshkosh North continue to be out promoting and working on the Water Heroes Project several times

over the next two weeks. Water Heroes is a project that creates awareness about what we put in our storm sewers will eventually end up in our lake and drinking water. Water Heroes Project is a partnership project with the City of Oshkosh, SW Rotary, and Communities at ONHS.

10/20: Service Day in Pollack Pool - placing medallions on inlet; Presentation to Storm Water Commission at 8am

11/1: Communities will be presenting at the SW Rotary meeting

Julie Dumke
OASD Community Based Learning Coordinator
Peer Coach

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
