**Leadership II
Invitation**

Leadership II students have been diligently writing, practicing and rehearsing individual TED Talks to share with

you as their final class project.

Students' passionate messages reflect their belief that the power of ideas changes attitudes, lives and, ultimately, the world - just as true TED Talks do. (TED Talks are brief speeches used to "spread ideas worth sharing" and are written to inspire and inform.

Please join us as they share their messages and leave their legacy.

Time: 1:40 - 3:30

Date: January 16

Place: Oshkosh North High School, LRB

Enter Door 7 and stop in for a visitor pass. Snacks will be provided.

Opportunities to see our students' passions through their challenges are always rewarding and we look forward to seeing you. We - and they - appreciate your support of them through their struggles and triumphs as they grow to become our strong leaders of tomorrow!
