12. WORLD UNDERSTANDING MONTH

The month of February is very special
in the Rotary calendar since it is
designated World Understanding
Month. The month also includes the
anniversary of the first meeting of
Rotary held on February 23, 1905,
now designated World Understanding
and Peace Day.

In designating World Understanding
Month, the Rotary International board
asks all Rotary clubs to plan programs
for their weekly meeting and undertake
special activities to emphasize
"understanding and goodwill as
essential for world peace.

To observe this designated month,
many clubs arrange international
speakers, invite youth exchange
students and international scholars
from schools and universities to club
meetings, plan programs featuring
former Group Study Exchange team
members, arrange discussions on
international issues, present
entertainment with an international
cultural or artistic theme and schedule
other programs with an international
emphasis.

Many clubs take the opportunity to
launch an international community
service activity or make contact with a
Rotary club in another country is a
good month to initiate a Rotary
Fellowship Exchange, a 3-H project to
encourage support for Polio Plus and
other Rotary Foundation programs.

World Understanding Month is a
chance for every club to pause, plan
and promote the Fourth Avenue of
Service-Rotary's continued quest for
goodwill, peace and understanding
among people of the world.
