50 Things Every Rotarian Should Know About Rotary

(18th in a series)

By Steve Garret

District 5300 Governor 1994-1995

18. ROTARY ANNS / ROTARY PARTNERS

In many Rotary clubs throughout the world, wives of male members are affectionately called "Rotary Anns". This designation was never one of disparagement, but rather grew out of an interesting historical occasion.

The year was 1914 when San Francisco Rotarians boarded a special train to attend the Rotary convention being held in Houston. In those days few wives attended Rotary events, and until the train stopped in Los Angeles, the only woman aboard was the wife of Rotarian Bru Brunnier. As the train

picked up additional convention-bound delegates, Mrs. Ann Brunnier was introduced as the Rotarian's Ann. This title soon became "Rotary Ann." Since the clubs of the West

were inviting the Rotarians to hold their next convention in San Francisco, a number of songs and stunts were organized which would be performed in Houston. One of the Rotarians wrote a "Rotary Ann" chant. On the train's arrival at the Houston depot, a delegation greeted the West Coast Rotarians. One of the greeters was Guy Gundaker of Philadelphia, whose wife was also named Ann. During the rousing demonstration, someone started the Rotary Ann chant. The two petite ladies, Ann Brunnier and Ann Gundaker, were hoisted to the men's shoulders and paraded about the hall. The group loved the title given to the two women named Ann. Immediately the same term of endearment was used for all of the wives in attendance, and the name "Rotary Ann" was here to stay. Guy Gundaker became president of Rotary International in 1923 and Bru Brunnier was elected president in 1952. Thus, each of the two original Rotary Anns became the "first ladies of Rotary International."

Very few clubs have Rotary Anns, but many have Partners organizations, some are still called "Inner Wheel." The word Rotary Ann can be heard on a rare occasion, and now you know where it came from.
