### Today's Speaker

The Boys & Girls Club of Oshkosh is pleased to announce the 2018 Boys & Girls Club of Oshkosh Youth of the Year winner – **Nichole Van Hoof**.

In December, Nichole competed against five other local Club members for the title and ultimately won. As the Oshkosh Club's 2018 Youth of the Year, Nichole was awarded a \$10,000 scholarship from the Boys & Girls Club's Charles F. Hyde, Jr. Youth of the Year Scholarship Endowment. Nicole explained, "As Youth of the Year I hope to be a good example for kids younger than me that attend the Club and to show other young women and men confidence and help them gain more themselves."

Thank you and congratulations, Nichole!

### Coats for Kids

We have participated in the Coats for

Kids campaign with the Salvation Army for many years and are one of their top drop off locations.

Although we have worked with The Salvation Army on this campaign for many years, we are not an "official" sponsor of Coats for Kids.

Anyone that is interested in donating coats can drop them by our bank, 1700 W 20<sup>th</sup> Ave, or give me a call and I can pick them up at your office.

The campaign always struggles to get enough coats for the older kids. Everyone wants to donate a cute coat for a little baby but there is a tremendous need for the coats for older kids.

For more information, contact Matt Bakalars.

**22. HONORARY MEMBERSHIP**

Honorary" is one of the two types of membership a person may have in a Rotary club. This type of membership is the highest distinction a Rotary club can confer and is exercised only in exceptional cases to recognize an individual for unusual service and contributions to Rotary and society. Honorary members cannot propose new members to the club, do not hold office and are exempt from attendance requirements and club dues.

Many distinguished heads of state, explorers, authors, musicians, astronauts and other public personalities have been honorary members of Rotary clubs, including King Gustaf of Sweden, King George VI of England, King Badouin of Belgium, King Hassan III of Morocco, Sir Winston Churchill, humanitarian Albert Schweitzer, Charles Lindbergh, composer Jean Sibelius, explorer Sir Edmund Hillary, Thor Heyerdahl, Thomas Edison, Walt Disney, Bob Hope, Dr. Albert Sabin, British Prime Minister Margaret Thatcher and many of the presidents of the United States. Truly, those selected for honorary membership are those who have done much to further the ideals of Rotary.
