

TODAY'S SPEAKER: *Neil Hansen*
The Last Plane out of Cambodia

Today's Speaker

Beyond covert operations with Air America (and including the day he had the dubious honor of being on three

downed aircraft in a single twelve-hour span), **Neil Hansen** addresses his post-Air America time when he was flying for a fly-by-night commercial carrier in Cambodia in 1975. He escaped from there literally hours before the entire country fell to the Khmer Rouge at the time of the Cambodian holocaust.

Neil escaped, in essence, by stealing a plane and flying in the blind, sans flight plan, from Cambodia to Bangkok, only a matter of moments before the murderous Khmer Rouge marched into Phnom Penh.

Neil's book **FLIGHT** is presently in the

hands of a New York literary agent, and his story is soon to be a stage production, "Weird Flight," opening in August at the John Michael Kohler Art Center in Sheboygan.

Thank you, Neil!

Coats for Kids

We have participated in the Coats

for Kids campaign with the Salvation Army for many years and are one of their top drop-off locations.

Although we have worked with The Salvation Army on this campaign for many years, we are not an "official" sponsor of Coats for Kids.

Anyone that is interested in donating coats can drop them by our bank, 1700 W 20th Ave, or give me a call and I can pick them up at your office.

The campaign always struggles to get enough coats for the older kids. Everyone wants to donate a cute coat for a little baby but there is a tremendous need for the coats for older kids.

50 Things Every Rotarian Should Know About Rotary
(23rd in a series)
By Steve Garret
District 5300 Governor 1994-1995

23. DISTRICT GOVERNOR

The Rotary district governor performs a very significant function in the world of Rotary. He or she is the single officer of Rotary International in the geographic area called a Rotary district, which usually includes about 45 Rotary clubs. The district governors, who have been extensively trained at the worldwide International Assembly, provide the "quality control" for the 27,000 Rotary clubs of the world. They are responsible for maintaining high performance within the clubs of their district.

The district governor, who must make an official visit to each club in the district, is never regarded as an "inspector general." Rather, he or she visits as a helpful and friendly adviser to the club officers, as a useful counselor to further the Object of Rotary among the clubs of the district, and as a catalyst to help strengthen the programs of Rotary.

The district governor is a very experienced Rotarian who generously devotes a year to the volunteer task of leadership. The governor has a wealth of knowledge about current Rotary programs, purposes, policies and goals and is a person of recognized high standing in his or her profession, community and Rotary club. The governor must supervise the organization of new clubs and strengthen existing ones. He or she performs a host of specific duties to assure that the quality of Rotary does not falter in the district, and is responsible to promote and implement all programs and activities of the Rotary International president and the RI Board of Directors. The governor plans and directs a district conference and other special events.

THE FOUR-WAY TEST
of the things we think, say or do

first: Is it the **TRUTH**?

second: Is it **FAIR** to all concerned?

third: Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

fourth: Will it be **BENEFICIAL** to all concerned?
