Board Meeting

The **October** meeting of the Board of Directors will be held Monday, **October 15, 4:00pm** at Ground Round at River's Edge, 1 N Main St, Oshkosh.

The 2018 edition of the Oshkosh Area Crop Walk is coming up, Sunday afternoon **October 21** at the Winnebago County Park at 1pm, and we thank all of our sponsors for their fundraising support.

The Rotary Clubs and Leadership Classes of North and West High School are busy taking the lead in this event. The kids look forward to Crop Walk every year. It is by now a strong HS tradition. A number of area churches are also fielding teams. Those who walk raise funds to fight hunger globally and locally. We support the Oshkosh Area Community Pantry, Father Carr's, the Lutheran Food Pantry and the Day by Day Warming Shelter. We contribute to the work of the most experienced and effective hunger relief agencies around the world.

Crop Walk around the United States raised over 8 million dollars last year and over the past eight years in Oshkosh Crop Walk has raised between \$4000 and \$8000 every year

To donate, please make your check payable to the St Paul's UCC/CROP and mail it to St Paul's UCC, 1250 Leonard Point Rd, Oshkosh WI 54904. St. Paul's Church acts as the Treasurer for the event.

50 Things Every Rotarian Should Know About Rotary

(24th in a series)

By Steve Garret
District 5300 Governor 1994-1995

24. THE DISTRICT ASSEMBLY

In view of the annual turnover of Rotary leadership each year, special effort is required to provide the 27,000 club leaders with appropriate instruction for the tasks they will assume. The annual district assembly is the major leadership training event in each Rotary district of the world.

The district assembly offers motivation, inspiration, Rotary information and new ideas for club officers, directors and key committee chairmen of each club. Some of the most experienced district leaders conduct informative discussions on all phases of Rotary administration and service projects. The assembly gives all participants valuable new ideas to make their club more effective and interesting. Usually eight to ten delegates from each club are invited to attend the training session.

Another important feature of a district assembly is a review by the incoming district governor of the program theme and emphasis of the new RI president for the coming year. District goals and objects are also described and plans are developed for their implementation.

The success of each Rotary club is frequently determined by the club's full representation and participation in the annual district assembly.
