**Water & Sanitation Month**

It is March and per the Rotary Calendar, this is the Water and

Sanitation month. Clean water should be accessible to everyone but unfortunately, many don't have access to it. There are 2.5 billion people in the world that lack access to improved sanitation and 748 million people that don't have clean drinking water. The World Health Organization says that every year more than 3.4 million people die as a result of water related diseases, making it the leading cause of disease and death around the world. Most of the victims are young children, the vast majority of whom die of illnesses caused by organisms that thrive in water sources contaminated by raw sewage.

As a district we have been involved with various water related projects and continue to stay involved. PDG Rick Debe continues to do a splendid job getting the word around the district of the various water projects specific clubs are carrying out so we can all participate in them.

**Favorite Holiday:**  
Christmas

**First job:**  
With an "official paycheck?"  
Dairy Queen.  
Does babysitting,

picking rocks, and baling hay count beginning at 12?

**Favorite song:**  
Beethoven's Symphony No. 5 (for those of you that know classical, aka, Beethoven's 5th in C Minor) – I am also a classical piano player.

**Not many Rotarians know:**  
I am actually an introvert that just happens to be an extrovert on the outside. Trust me, I am actually "shy and reserved" unless I get to know you. Almost like a "Ripley's Believe It or Not!"

**31. INTERNATIONAL CONVENTIONS**

Each May or June, Rotary International holds a worldwide convention "to stimulate, inspire and inform all Rotarians at an international level." The convention, which may not be held in the same country for more than two consecutive years, is the annual meeting to conduct the business of the association. The planning process usually begins about four or five years in advance.

The RI board determines a general location and invites cities to make proposals. The conventions are truly international events which 20,000 to 40,000 Rotarians and guests attend. All members should plan to participate in a Rotary International convention to discover the real internationality of Rotary. It is an experience you'll never forget.

At our 2019 convention, Rotary members become insiders — the first to discover the latest

news, along with the ideas and strategies that drive Rotary.

Whether it's a chance meeting at the House of Friendship that leads to a new project partner, or a speaker who inspires you to take action, you'll find plenty of excitement around you. Explore new cultures and fresh perspectives by taking part in pre-convention meetings, unofficial affiliated events, and Rotary- and host-ticketed activities.

Interact with people whose ideas are transforming lives. Discover insightful perspectives from world-renowned speakers, engage in stimulating breakout sessions, and explore innovative solutions to community problems at the House of Friendship.

Whether you've just joined Rotary or you're an experienced member, our annual convention is an unparalleled opportunity to immerse yourself in diverse cultures and develop rich relationships. Connect with influential peers from across the globe and deepen your friendships with members who share your desire for meaningful action.

The opportunities for learning are endless. You'll hear about new approaches and strategies for successful projects, uncover ways to attract and engage members in your area, and bring home a renewed passion that will inspire your club members.

The Host Organization Committee is busy planning unforgettable activities and events for the entire Rotary family.

Discover the unique blend of historical and contemporary culture that makes Hamburg a distinctive place. A flourishing port city with friendly people and an array of entertainment options, it is the perfect setting for a memorable experience.
