Kevin Corkin
Scouts BSA

Apr 10 meeting at Convention Center

Today's meeting, **Apr 10**, will be held at the **Oshkosh Convention Ctr** (Leander Choate) 2 N Main St, Oshkosh

Today's Presentation

Today's presentation is by Rotarian Kevin Corkin.

Kevin's been in the club for just over a year but joined Rotary in 2013

after he started work as a District Executive with the BSA in Marquette, MI. He moved to Oshkosh a little over a year ago with his wife Jess after being promoted to District Director for the Twin Lakes District of the Bay-Lakes Council, Boy Scouts of America.

He'll be giving an update on the exciting changes within the BSA over the last year and about the new buildings going up at some of the Bay-Lakes Council Camps. Plus sharing how Scouting is going in Oshkosh and how you can help.

Thank you, Kevin!

Thank You

Thank you, President-elect Todd for leading today's meeting while President Nate is vacationing in Jamaica.

From DG Kola Alayande

April is here and I am sure glad to see some signs of Spring around us. The month of April is Rotary International's month for Maternal and Child Health which is something that is critical to the foundation of any community's growth or survival.

According to the American Public Health Association, "far too many women, infants and children worldwide still have little or no access to essential, quality health services and education, clean air and water, and adequate sanitation and nutrition."

Improving the well-being of infants, children and mothers should be an important public health goal for every country because their well-being impacts and determines the health of the next generation but unfortunately, that is not always the case in different parts of the world. As Rotarians, let's continue to locally or globally support projects that positively impact the well-being of mothers, children and infants with our selfless services, and contributions.

THANK YOU!

On behalf of Hlee and me as well as Lindsay Hermesen & Mackenzie Wissink thank you for Southwest Rotary's generosity. A total of

\$377.00 was collected! Our goal was \$200 and you guys definitely surpassed that amount. The money will significantly impact the families that receive help from the Helping Hand Program. Please also give a shout out to the gentleman that dropped a \$100 bill into the container.

With regards to the dual district conference (DualCon 2019), we are seeing some registration numbers (currently less than 60 people are registered from our district) and I know we can much

do better than that in a district of over 2700 members. It will be sad for District 6220, with its clubs being the farthest to the event venue and having less members to outnumber us in Rotarian participation (as of today, they currently are.)

Please note that the block of rooms on hold at the hotel/resort has a cutoff date of **April 16, 2019** so kindly register via the website at www.dualcon2019.com and if you still do not see the hotel reservation code in the special note on your order receipt, please contact Dana Kohlmeier or myself for the hotel registration code.

Yours in service,
 Kola Alayande, Ph.D.
