Help us beautify Jones Park**

The Town of Algoma, in partnership with the Oshkosh Area Rotary Clubs, and Community Environmental & Beautification Committee, are excited to announce a tree planting day at Jones Park. Thanks to a donation from Rotary, 90 trees with 16 different species will be planted at our Town's premier park. This sustainable program is the final touch to an exciting build out.

In order to succeed, we need you! Join us May 11, 8am at Jones Park. Bring the work clothes and fun times and we will supply the refreshments and trees! From helping to plant, to watering, to mulch and support, every volunteer is appreciated. Our success is only possible with you. A rain day has also been scheduled for May 18 at 8am. Help us make this project an amazing success.

**MEDALLION  
INSTALLATION**

**MAY 18, 9am**

**Westhaven Golf Club**

**BREAKFAST PROVIDED**

**Volunteers Wanted!**

**Help us keep our water clean!**

Volunteers in pairs or as a family group are needed to install medallions on storm sewers throughout the Westhaven area. All necessary items will be provided. Medallions are adhesive, the area on the storm sewer is swept off and the medallion is installed. A demonstration will be given; pretty simple concept. This is a great learning opportunity for kids and grandkids and they are welcome to join you! (The City of Oshkosh is a partner in this project so we won't get in trouble.)

Help support Rotary's Clean Water Initiatives and get a little exercise too. Installation will only take an hour or two, or less depending on number of volunteers.

For more information contact Vicky Redlin.

**35. ROTARY AND THE UNITED NATIONS**

UNITED NATIONS

During and after World War II, Rotarians became increasingly involved in promoting international understanding. In 1945, 49 Rotary members served in 29 delegations to the United Nations Charter Conference. Rotary still actively participates in UN conferences by sending observers to major meetings and promoting the United Nations in Rotary publications. Rotary International's relationship with the United Nations Educational, Scientific, and Cultural Organization (UNESCO) dates back to a 1943 London Rotary conference that promoted international cultural and educational exchanges. Attended by ministers of education and observers from around the world, and chaired by a past president of RI, the conference was an impetus to the establishment of UNESCO in 1946.

DualCon 2019 (taking place on May 17&18) is a collaborative District Conference of two Rotary Districts for Rotarians in District 6220, and District 6270. All Rotarians from Wisconsin, the Upper Peninsula of Michigan and eastern Minnesota, with their significant others and families, and other Rotarians and friends of Rotary are welcome. It is coordinated by District Governor - Ann Fuge, D6220 (Northeast Wisconsin and Upper Peninsula of Michigan), and District Governor - Kola Alayande, D6270 (Southeast Wisconsin); with the assistance of Conference Chairs - Barb Senn & Dave Anderson, Conference Treasurer - Steve Handrick, and other members of the conference committees from both Districts.

The goals for the event are to:

- Celebrate Rotarians in both Rotary districts.
- Be family friendly.
- Connect with Youth and the young at heart.
- Present great speakers and programs.
- Exchange information with all attendees.
