**Today's Speaker**

Karen Schneider, co-owner and publisher of the Oshkosh Herald, is originally from Oshkosh and has been a member of our club for about a year. Karen lived 20+ years in Phoenix where she raised a family and had a career with the Arizona Republic newspaper, Arizona State University and built an insurance agency from scratch.

After selling the agency in 2011 she left her two children, Phillip and Jaime, to "adult" in Phoenix and moved back home. She lives in Oshkosh with her husband and partner, Jeff, and daughter Riley.

Since returning to Oshkosh in 2012, Karen held the position of General Manager and Advertising Director for two of the Gannett daily newspapers for three years before venturing into the non-profit sector. She's been involved in the community with United Way serving as the project manager for "hub" and one of last year's campaign directors. She is - or has been - a member of several boards including GO-EDC, Clarity Care, Tempo, UWO's journalism department, the Advanced Titan as well as serving on committees through the Oshkosh Area Community Foundation. Besides Southwest Rotary she also belongs to Tempo Fox Valley, Professional Women's' Connection and Westside Association.

The Oshkosh Herald launched in January 2018 to fill a perceived void for local news and information. Karen's going to share why she's crazy enough to invest in a newspaper and what's going on at the Herald with us today.

Thanks Karen!

## Jones Park Tree Planting

ROTARY ENTRANCE GROVE

**MAY 11, 8am  
BREAKFAST  
PROVIDED**

**Volunteers Wanted!  
Help us beautify Jones Park**

The Town of Algoma, in partnership with the Oshkosh Area Rotary Clubs, and Community Environmental & Beautification Committee, are excited to announce a tree planting day at Jones Park. Thanks to a donation from Rotary, 90 trees with 16 different species will be planted at our Town's premier park. This sustainable program is the final touch to an exciting build out.

In order to succeed, we need you! Join us May 11, 8am at Jones Park. Bring the work clothes and fun times and we will supply the refreshments and trees! From helping to plant, to watering, to mulch and support, every volunteer is appreciated. Our success is only possible with you. A rain day has also been scheduled for May 18 at 8am. Help us make this project an amazing success.

For more information contact Vicky Redlin or Benjamin Krumenauer.

**MEDALLION  
INSTALLATION**

**MAY 18, 9am**

**Westhaven Golf Club**

**BREAKFAST PROVIDED**

**Volunteers Wanted!  
Help us keep our water clean!**

Volunteers in pairs or as a family group are needed to install medallions on storm sewers throughout the Westhaven area. All necessary items will be provided. Medallions are adhesive, the area on the storm sewer is swept off and the medallion is installed. A demonstration will be given; pretty simple concept. This is a great learning opportunity for kids and grandkids and they are welcome to join you! (The City of Oshkosh is a partner in this project so we won't get in trouble.)

Help support Rotary's Clean Water Initiatives and get a little exercise too. Installation will only take an hour or two, or less depending on number of volunteers.

For more information contact Vicky Redlin.

## 50 Things Every Rotarian Should Know About Rotary (36<sup>th</sup> in a series)

By Steve Garret  
District 5300 Governor 1994-1995

### 36. INTERACT

Interact, the Rotary youth program, was launched by the RI Board of Directors in 1962. The first Interact club was established by the Rotary Club of Melbourne, Florida. Interact clubs provide opportunities for boys and girls of secondary school age to work together in a world fellowship of service and international understanding. The term, Interact, is derived from "inter" for international, and "act" for action. Every Interact club must be sponsored and supervised by a Rotary club and must plan annual projects of service to its school, community and in the world.

Today there are over 7,200 Interact clubs with more than 155,000 members in 88 countries. "Interactors" develop skills in leadership and attain practical experience in conducting service projects, thereby learning the satisfaction that comes from serving others. A major goal of Interact is to provide opportunities for young people to create greater understanding and goodwill with youth throughout the world.

DualCon 2019 (taking place on May 17&18) is a collaborative District Conference of two Rotary Districts for Rotarians in District 6220, and District 6270. All Rotarians from Wisconsin, the Upper Peninsula of Michigan and eastern Minnesota, with their significant others and families, and other Rotarians and friends of Rotary are welcome. It is coordinated by District Governor - Ann Fuge, D6220 (Northeast Wisconsin and Upper Peninsula of Michigan), and District Governor - Kola Alayande, D6270 (Southeast Wisconsin); with the assistance of Conference Chairs - Barb Senn & Dave Anderson, Conference Treasurer - Steve Handrick, and other members of the conference committees from both Districts.

The goals for the event are to:

- Celebrate Rotarians in both Rotary districts.
- Be family friendly.
- Connect with youth and the young at heart.
- Present great speakers and programs.
- Exchange information with all attendees.
