**Roosevelt PTO Carnival**

It's almost time for our annual Roosevelt PTO carnival!

Friday, May 31,  
5-7:30pm  
at the school.

I was wondering if any of your Rotary team members would be willing to volunteer to run games and/or serve food! It's an awesome event that the kids love and we can't do it without enough volunteers. If you wouldn't mind sharing out sign up link, I would really appreciate it! It's very simple; they just click on the link and sign up for the time slots/shifts they can help with. On the day of the event, they can check in with me at the ticket sales table approximately 10-15 minutes before their shift(s) and I will give them instructions and get them to the right place!

**37. ROTARACT**

After the success of Interact clubs for high school-age youth in the early 1960s, the RI board created Rotaract in 1968. The new organization was designed to promote responsible citizenship and leadership potential in clubs of young men and women, aged 18 to 30. The first Rotaract club was chartered by the Charlotte North Rotary Club in Charlotte, North Carolina. In 1994 there were more than 149,000 members in more than 6,500 Rotaract clubs in 107 countries.

Rotaract clubs emphasize the importance of individual responsibility as the basis of personal success and community involvement. Each club sponsors an annual project to promote high ethical standards in one's business and professional life. Rotaract also provides opportunities leading to greater international understanding and goodwill. Rotaractors enjoy many social activities as well as programs to improve their community. A Rotaract club can exist only when continuously sponsored, guided and counseled by a Rotary club. The programs of Rotaract are built around the motto "Fellowship Through Service."
