Peggy McDaniel
Houses to Homes Guatemala

Today's Speaker

From Houses to Homes
De Casas a Hogares • Guatemala

Peggy McDaniel is a local potter who volunteers for this amazing group. (she has pretty

good coffee for sale too.)

Guatemala is rich in nature and spirit, but among the poorest in living standards. A majority of people living there are victims of civil war, hunger, prejudice, poverty, and ignorance. We are there to help them...

We are a grassroots organization of like-minded individuals who believe in strengthening *Family Unity* and *Community Harmony* in Highland Guatemala. We believe in: education, health/safety, empowerment, generosity, kindness, hard work, team work. We build *houses* and provide *medical care* and *education* to encourage and support the community in the improvement of the quality of their lives.

TOGETHER, WE HAVE BUILT 1413 Homes

We do it through You

Volunteers are the core of From Houses to Homes. Without a constant stream of enthusiastic volunteers, From Houses to Homes could not carry out its mission. Our volunteers find the experience so profoundly fulfilling, that many return year after year. Building alongside the family, with the help of a few paid professionals, our volunteers work incredibly hard - and love every minute of it.

Thank you, Peggy!

Changing of the Guard

Nate's presidential year will soon be coming to an end.

The big event will be

Wednesday, Jun 19 at The Waters.

Stay tuned for more details.

Thank You

The kids were so polite. I'm thinking 90% or higher said thank you, no thank you and other kind words. In a world where there are so many kids who are not trained well these kids at Roosevelt were great and there were many, many smiles. ~ Carmen Scott

In Search Of ...

I am a long time Downtown Rotary Club member. My husband and I will be unable to host our annual EAA

AirVenture guests this year and are looking for help finding a new host. I fervently hope that someone from our three Oshkosh Rotary Clubs will be willing.

Dave and Amy Camp are flying Rotarians from Burlington Iowa who bring their delightful grandchildren, now teens, Mandy and Sammy. Well behaved and interesting young people. Dave is a retired dentist, the quintessential Rotarian who jumps into projects and leads flying Rotarian jaunts. Amy is an artist. Both love to travel everywhere and meet new people. They are easy to host. He enjoys supporting Rotary in this way through a check to our projects.

This year they arrive Sunday evening Jul 21 (or Mon Jul 22) and leave Thursday morning Jul 25 by 9am or so.

Thank you so much in advance. You won't be sorry.

If interested, or for more information, contact Kathy Propp.
