

TODAY'S PRESENTATION:

Chancellor Andrew Leavitt
University of Wisconsin Oshkosh

Today's Presentation

Today's presentation is by **Chancellor Andrew Leavitt**

One year ago University of Wisconsin Oshkosh officially became a university of three campuses uniquely poised to serve the needs of students, businesses and communities.

Following approval from the UW System Board of Regents, UWO officially launched the brand that will carry it into the future as a regional institution that builds on the strengths of its campuses.

"I am pleased the Board of Regents has approved our plan," said UW Oshkosh Chancellor Andy Leavitt. "We are stronger together and we can serve the needs of more students, whether that is through access to education at Fond du Lac and Fox Cities or through the four-year Oshkosh campus. Our University offers a wealth of opportunities."

Thank you, Andy!

Thank You

Dear Oshkosh Rotary
Southwest,

I am writing to thank
you for your generous

Oshkosh Rotary Southwest Scholarship. I
am very excited to have been selected to
receive it and greatly appreciate your
support.

Next fall, I will be attending the University
of Wisconsin Eau Claire to study music.
The financial support you have provided
will help reduce my financial burden and
will allow me to concentrate more on my
education and experiences while in
college. Your assistance will help me
reach my academic and career goals.

Thank you again for your generosity,
support and investment into students like
me. I am fully committed to my education
and my future music pursuits. Additionally,
you have helped inspire me to work hard
and seek out ways to give back to my
community throughout the rest of my life.

Sincerely, Emmeline Liske
