

## TODAY'S PRESENTATION:

**Erik Smiltneek MD**  
**Addiction Medicine Program**

### Today's Presentation

Addiction Medicine Program by Erik Smiltneek MD will feature a 6-

minute video presentation by Patrick Kennedy (former US congressman and son of Ted Kennedy). After the video, Dr Erik will have a discussion about 3 questions.

1. How does addiction and recovery fit into the model of a chronic disease?
2. How is Mr Kennedy different and similar to the stereotypical addict and person in recovery – have you had experiences with people in addiction and in recovery?
3. How can our community – health care institutions, our public spaces, our workplaces and recreation - be supportive of recovery and how might these spaces worsen addiction?

Thank you Dr Smiltneek!

**Did You Know ???**

Every year Dr Hallquist helps to raise \$2000 for the Back to School

Fair by soliciting support from his Oshkosh area dental and orthodontist colleagues. He also allows us to buy toothbrushes at his cost for the kids at the BTSF too.

Without him and his efforts the kids who come through the fair wouldn't go home with two new toothbrushes and tubes of toothpaste each year!"

Thank you, Tom!

**50 Things Every Rotarian Should Know About Rotary**  
(39<sup>th</sup> in a series)

By Steve Garret  
District 5300 Governor 1994-1995

**39. THE ROTARY FOUNDATION'S BEGINNING**

Some magnificent projects grow from very small

seeds. The Rotary Foundation had that sort of modest beginning.

In 1917 RI President Arch Klumph told the delegates to the Atlanta Convention that "it seems eminently proper that we should accept endowments for the purpose of doing good in the world." The response was polite and favorable, but the fund was slow to materialize. A year later the "Rotary Endowment Fund," as it was first labeled, received its first contribution of \$26.50 from the Rotary Club of Kansas City, which was the balance of the Kansas City Convention account following the 1918 annual meeting. Additional small amounts were annually contributed, but after six years it is reported that the endowment fund had only reached \$700. A decade later, The Rotary Foundation was formally established at the 1928 Minneapolis Convention. In the next four years the Foundation fund grew to \$50,000. In 1937 a \$2 million goal was announced for The Rotary Foundation, but these plans were cut short and abandoned with the outbreak of World War II.

In 1947, upon the death of Paul Harris, a new era opened for the Rotary Foundation as memorial gifts poured in to honor the founder of Rotary. From that time, The Rotary Foundation has been achieving its noble objective of furthering "understanding and friendly relations between peoples of different nations." By 1954 the Foundation received for the first time a half million dollars in contributions in a single year, and in 1965 a million dollars was received.

It is staggering to imagine that from those humble beginnings, The Rotary Foundation is now receiving more than \$85 million each year for educational and humanitarian work around the world.
