**Roosevelt PAL**

Our PAL Roosevelt Elementary will be heading back to school very soon which means we will be beginning our 27<sup>th</sup> (or so)

year partnering with them. That being said they will be looking for a few volunteers with either short or long term opportunities. Some of the volunteer opportunities right now are:

- Working with students in individual class rooms, usually reading, writing or math (weekly commitment).
- Early morning reading – reading to students during the breakfast program 7:15am-7:35am (any day of the week that works for you).
- Monthly lunch and learn with the 5<sup>th</sup> graders - volunteers can speak to their vocation, hobby or interest to the kids during their lunch hour.
- Mentor a student- if you have the time to meet once a week during an allotted time to get to know a student and help them navigate day to day life .
- Help coordinate the before school interest group. (Talk to Marcus for more information on this opportunity.)

A few other volunteering chances will come up during the school year which will be announced at our weekly meetings.

For more information, contact Marcus Butts or Kari Seefeldt.

Empty Bowls is a collaborative community effort

which addresses the issue of hunger in the Oshkosh Community.

Local artists create ceramic bowls which are used to serve a simple meal of soup & bread. Area restaurants donate soups and local bakeries make breads. Guests may purchase a bowl with their meal and keep the bowl as a reminder of hunger in our community.

All proceeds from Empty Bowls go to area food pantries serving this need.

Volunteers needed for serving the night of the event.

A bowl painting party (social) at Fire Escape will be scheduled soon.

For more information, contact Karlene Leatherman.
